MINUTES

OF THE

Annual Meeting of the Patrons and Members

OF

THE MOUNT SINAI HOSPITAL,

Held on January 28th, 1900.

The President, Mr. Isaac Wallach, in the chair, and a quorum present.

On motion, it was decided to dispense with the reading of the minutes of the last annual meeting.

The Report of the President and Board of Directors was read by the President, the Treasurer's report was read by the Secretary, and both were ordered to be printed and sent out to the members of the Hospital.

Mr. Marcus M. Marks, in moving a vote of thanks to the Officers and Directors of the Hospital, made favorable comments upon their earnest, energetic work. Mr. Jacob H. Schiff, in seconding the motion, spoke of the proposed new Hospital buildings; feeling confident that the needed funds would be forthcoming, he urged the Directors of the Hospital to take prompt steps for their erection. Mr. Schiff put the motion to the assembly, which was adopted by a rising vote.

The President responded on behalf of the Directors, and

expressed their hearty appreciation of the encouragement extended to them by the members of the Hospital.

There being no further business, the meeting adjourned.

LOUIS M. JOSEPHTHAL,
Secretary.

THE MOUNT SINAI HOSPITAL,
January 28th, 1900.

MR. MAX NATHAN, MR. HERMAN MENDEL, MR. KALMAN HAAS, MR. GEORGE BLUMENTHAL, MR. MEYER H. LEHMAN,	As Directors for the term of four (4) years from January 1st, 1900.

HENRY ROSENWALD,
JOSEPH B. BLOOMINGDALE,
MARCUS M. MARKS,
Inspectors of Election.

JOSEPH L. SCHERER,
Secretary to Inspectors.

Report of the President and Board of Directors.

NEW YORK, December 1st, 1899.

To the Members of the Mount Sinai Hospital of the City of New York:

As, in the broad expanse of the firmament, the sun's rays peer through the dark clouds, even so do light and happiness glimmer through the sadness of hospital life. The pallid cheek restored to bloom, the wasted form invigorated, and the wearied invalid regaining health, are bright phases and a happy realization for all who were instrumental in their restoration.

There is much for thought and reflection in the statistics of hospital work. They form a volume on every page of which appear the varied episodes of human life, its hopes, cares, suffering, and struggles, together with many noble examples of man's goodness to the poor unfortunate. Sixty-five thousand patients have been sheltered and cared for in our Hospital since its foundation. Who can estimate the value of this far-reaching blessing, and the importance of a work which has restored so many to health and a life of usefulness?

Science and benevolence are enlisted in this laudable cause, and the best endeavors of both are put forth to battle for those who, afflicted with poverty, are unable to protect themselves when attacked by disease. To you, furnishing the means, and to our Medical Staff, devoting time and effort for this praiseworthy work, the thanks of the community, as well as of those charged with the management of our Institution, are eminently due.

We render our annual account for the year ending

November 30th, 1899, with the earnest hope that all who are in any manner connected with our Institution will find satisfaction from what has been achieved, and will be stimulated thereby to still higher and greater endeavor for the amelioration of human suffering.

COMMENTS.

Our statistics show that the total number of applicants for admission into the Hospital was 6,095, an increase of 578 over last year. Of these, 3,065 were admitted, as against 3,082 in 1898. These figures clearly indicate the oft-repeated statement that our present Hospital has reached the limit of its usefulness, and that its facilities are insufficient to meet the constantly increasing demands for its benefits.

Our inability to provide for the large number applying for admission is calculated to produce discontent and dissatisfaction among our constituents, particularly so when members interested in applicants for whom no provision can be made do not take existing conditions as to the adequate accommodations of the Hospital into reasonable consideration, and it occasionally happens that some of

these members withdraw their support when the Executive Committee or the Examining Physician are necessarily compelled, for want of room, to refuse admission. The Directors of the Hospital are thus placed in a most unpleasant position, and their duties become doubly onerous. They are ever ready to extend the benefits of our Institution, as far as possible, to all who apply. Harassed, however, as they are, by the limitations of room, the results outlined are such as they can only regret, but over which they have no control.

It will be observed that 973 cases were referred to the Mount Sinai Hospital Dispensary, as against 423 last year, thereby affording all possible relief in this adjunct of our Institution to such applicants who, for want of accommodations, could not be admitted into the Hospital.

In all, 36,734 patients were treated last year in the Hospital, Dispensary, and District Service. This summary illustrates most forcibly the magnitude and beneficence of the great charity sustained by you. The non-sectarian character of its work redounds to your credit, and affords a broad example of the liberality controlling the management of the Hospital from its earliest beginning to the present time.

FINANCES.

The following extracts have been made from the reports of the Treasurer and Finance Committee.

ASSETS.

Plot of ground, 34 lots, on 100th and 101st Streets, Fifth and Madison Avenues, for the New Hospital Buildings, cost $531,682.04, less mortgage of $80,000 due March, 1901,	$451,682.04
Invested in bond and mortgage on property in the City of New York,	150,000.00
Cash in hands of the Treasurer,	4,831.52
Total,	$606,513.56

Also, $5,000 in bonds of the Hebrew Benevolent and Orphan

Asylum Society, $500 in bonds of the Freundschaft Club, and the Hospital and Dispensary Buildings in use, free from encumbrance.

We hold the following funds in trust:

Building Fund,	$439,174.88
Convalescent Fund,	4,822 00

Also, $2,000 4½ per cent Pennsylvania Company bonds, for the benefit of the Convalescent Fund.

The interest from investments for the Convalescent Fund and special donations thereto are expended for the benefit of convalescent patients leaving our Hospital.

RECEIPTS AND DISBURSEMENTS.

The receipts applicable to the support account of the Hospital for the fiscal year ending November 30th, 1899, were:

From Donors,	$16,900.00

NEW HOSPITAL BUILDINGS.

In our report for 1898 we referred to the unanimous sentiment expressed in our annual meeting held in January of that year, which prompted your Board to take active steps for the erection of the new Hospital. In substantial furtherance of these views we were induced to purchase and secure at a most advantageous price a plot of desirably located ground for building purposes.

The Committee on Building subsequently engaged the services of Mr. William Schickel as consulting architect, and a programme of the requirements for the building, with terms of competition, was formulated and prominent well-known architects were invited to submit plans, of which twenty-one, each signed by a *nom-de-plume*, were received, and, in accordance with the terms agreed upon, four were selected and submitted by Mr. William Schickel and Prof. William R Ware, of Columbia College, to the Board of

Directors, in the order of their merit. The plan "Light and Air," marked first on this list, proved to be the work of Mr. Arnold W. Brunner, who was then appointed the architect for the new Hospital buildings

The main object of this great undertaking is to provide additional accommodations for at least one hundred patients to meet the growing demand for the benefits of our Institution. In fact, there would be no justification for the expenditure of the large sum required for the new Hospital buildings unless such a result could be attained. Many of the plans submitted by the competing architects evidenced the fact that the thirty lots purchased would be entirely inadequate for this purpose, and that, in consequence of insufficient area, the buildings would be cramped, congested, and unsatisfactory when completed.

It must be borne in mind in this connection that the plant requires an administration building connected by corridors with hospital wings, one for medical cases and one for surgical cases, on each side—practically three buildings: a dispensary, training-school building, morgue, isolation building, kitchen and laundry building, with servants' quarters overhead, and the private hospital on Fifth Avenue—in all, nine distinct detached buildings.

This consideration necessitated our acquiring the four lots on the southwest corner of 101st Street and Madison Avenue, which were purchased last summer for $140,000, $60,000 of which was paid in cash, the balance of $80,000 remaining at 5 per cent interest on a mortgage maturing in March, 1901, before which date it cannot be paid.

The purchase was a desirable one. There are four apartment houses on the property, which are rented at a sum sufficient to pay all fixed charges and yield a moderate income until required for use by the Hospital. Subsequently plans drawn on the lines of the original, modified to cover the entire block, were submitted by Mr. Arnold W. Brunner, which now afford ample and more liberal provision for increased accommodation of patients and the various services required.

With plot secured and plan achieved, we find ourselves now confronted with unexpected and embarrassing difficulties, due to the marked advance which has recently set in in the cost of building materials and labor. It is not the intention of your Board to introduce extravagant or expensive ideas in the construction of the new Hospital, yet the buildings must be provided with such equipments and accessories as sanitary and modern hospital construction demand. Foremost among these requirements are correct dimensions to allow a given number of cubic feet of air for each patient, so that light, ventilation, and proper hygiene are insured and sufficient space provided for the service required for hospital work. This fixed principle for hospital construction cannot be disregarded without unsatisfactory results. Our resources for the entire project are as follows:

from which deducting $532,000 paid for the site, leaves a balance of $835,000 available for building purposes, which is entirely insufficient. Specifications are now being prepared upon which bids will be invited, yet accurate expert estimates in our possession clearly show that an additional sum of $500,000 must be obtained to cover the cost of the buildings to be erected.

While many in our community have generously responded to our appeal for aid in behalf of this necessary and meritorious undertaking, it is, nevertheless, true that others able to do so have not evidenced a willingness to

contribute for this laudable cause. The work of obtaining subscriptions has been performed by our Directors by personal application—a slow and laborious method, but more efficacious than solicitation by circulars. There are many who have not been called upon, and it is our earnest hope that when solicited they will help us, so that our project may not be delayed.

Mount Sinai Hospital is your institution, of which all justly feel proud for its recognized position as one of the most advanced and meritorious institutions of its kind in our community. Surely you will not allow its glory to be dimmed nor its usefulness impaired in the slightest degree, but will extend the needed assistance to maintain its high standard and the well-deserved reputation of our people that they provide for those who have claims upon their bounty.

SEMI-CENTENNIAL.

In February, 1902, our Institution will have existed for fifty years. No more befitting or appropriate celebration could be made on that day than the dedication of our new Hospital buildings to mark the progress in its career and to indicate the well-known liberality of our constituents. It would evidence in unmistakable language the fact that each succeeding generation has truly recognized and well performed the sacred obligations transmitted to it for the care of the sick and the needy. A retrospective glance brings to our minds the small beginning of our Institution in 1852 in 28th Street, with a capacity of twenty beds, and shows how it has gradually increased to its present proportions under the ministration and fostering care of those who have directed and sustained it. Many of these have gone to their long home and have left to us the heritage of their good deeds. When those who are in temporary charge of this great trust have passed away and their work is reviewed by coming generations, may they, too, be found to have faithfully performed the duties of the time and hour toward their fellow-men.

10 Members were changed to Patrons.

Due to deaths, resignations, and other causes, our membership roll, compared with last year, shows considerable decrease, as is indicated by the reduced income of $2,172.50 from this source.

LEGACIES AND BEQUESTS.

During the past year we have received the following legacies and bequests:

Eugene Kelly,	$500.00
Henriette Oppenheim,	100.00
David Marks,	250.00
David Blumenthal,	200.00
Abraham Schlesinger,	100.00
Babette Guggenheim,	200.00
Bernhard Stirn,	300.00
Total,	$1,650.00

The names of these donors will be perpetually enrolled in our annual reports and will be remembered with profound gratitude.

DONATIONS.

The entire donations, including $130.00 entered in the Golden Book of Life, amounted to $3,393.87; these are recorded in detail on pages 48, 49, and 50 of this report.

PERPETUAL BEDS.

The following perpetual beds were dedicated during the year:

In memory of Leopold Boscowitz, by his brothers and sisters.

In memory of Martin H. Lehmaier, by provision in his will.

Fitting dedications, more lasting than monuments of stone or brass, these memorials evidence practical thought for the living, as well as the desire to perpetuate the names of those who have departed from this life.

An endowment of a perpetual bed was made by Mr. Max Nathan on his seventieth birthday, in the name of his wife, Rosalie Nathan; and also by P. W., on which $1,000 was received on account, the remainder to be paid when the dedication is established in the new Hospital.

A "Life Bed" was founded by Mrs. Marx Hornthal, in memory of her husband.

We appreciate these expressions of good will in selecting our Institution for the creation of dedications, which produce an income for the care of those unable to contribute toward their own support.

DEATHS.

Though realizing the mutability of human life, we were nevertheless unprepared for the taking away from our ranks of so many who were a strength and aid to our cause. Let us reverently pay them their deserved tribute and inscribe upon our annals the names of our members who departed this life during the past year.

Myer Stern.

May their memory be blest!

Special mention should be made of the great loss sustained by all our institutions in the death of Myer Stern. He was identified for many years with the Hebrew Benevolent and Orphan Society, as an honored member of its Board. His broad nature and generous inclinations prompted him to promote and advance all other communal work to the end of his days. To his memory we bring a wreath of blossoms from the affections of the afflicted, whom he at all times befriended, and whose cause he ever espoused.

Dr. William W. Van Arsdale, one of our Adjunct Attend-Surgeons, died on the 17th of March. He occupied the

position of adjunct from 1894, when this service was first introduced. Conscientious and faithful in the discharge of his duties, he constantly devoted his scientific knowledge and medical skill to the cause represented by our Institution. In accordance with a resolution of our Board, a floral tribute from the Directors was sent to the funeral and a suitable letter of condolence tendered to his family.

HOSPITAL CEMETERY.

We owe duties to the dead as well as to the living, and society has at all periods recognized its solemn obligations to provide for proper interments. It is not generally known that our Institution provides free burial in the Mount Sinai grounds in Cypress Hills Cemetery, for patients who die in our Institution and are not claimed by relatives or friends. A large plot of land was given to the Hospital in 1879 for this purpose, the maintenance of which entails considerable expense upon our Institution.

It became necessary this year to grade the ground, and, in accordance with a resolution of our Board, headstones were placed on all graves, to insure uniformity and make this resting-place of the dead in keeping with the respect due to the departed. Were it not that the Hospital assumes this self-imposed duty, many of those who have died in our Institution would necessarily have been interred in public ground for paupers.

LADIES' AUXILIARY SOCIETY.

This valuable adjunct of our Institution, as heretofore, is in charge of Mrs. M. H. Moses, President; Mrs. J. A. Cook, First Vice-President; Mrs. Louis Lavanburg, Second Vice-President; Mrs. Julius Beer, Treasurer; and Mrs. J. R. Seligman, Secretary. To these ladies, together with those associated with them, we tender our well-deserved tribute for their many acts of benevolence in behalf of our patients. The consciousness of their devotion is to them a greater reward than aught we might say. Besides provid-

ing linen, bedding, and clothing, they have taken personal interest in the comfort and welfare of our patients, and their presence in our wards has brought cheer and happiness to many a weary heart. Their good deeds are recorded in ineffaceable letters; a bright example of woman's tender solicitude and noble effort to alleviate human suffering.

HOSPITAL SATURDAY AND SUNDAY ASSOCIATION.

We received $5,530.39 from this Association, from the undesignated fund, as our apportionment upon the basis of division as to the days of gratuitous support and number of free patients treated. The publication of the statistics by the Association justifies our stating that the Mount Sinai Hospital, as heretofore, holds an honored position in the foremost ranks of hospitals which have done the largest amount of free work.

The 24th, 25th, 30th, and 31st of December have been set apart this year as Hospital Days for general collections in churches, synagogues, and elsewhere. The entire undesignated collections last year amounted to $62,566.73, and it is expected, with the general improvement of business, that these will be largely increased this year.

We urge our friends to make undesignated contributions to this fund, so that the Committee on Distribution may apportion same in accordance with the equitable rules of the Association.

The Hospital Association is becoming more widely known and its work more thoroughly appreciated from year to year. Aside from the importance of its collections to supplement the much-needed support of our charitable institutions, the Association has great value in promoting cordial relations and co-operation between the trustees of the various hospitals of the city.

TRAINED NURSES.

The patients of our Hospital are attended by nurses from the Mount Sinai Training School, and the service during the past year, as heretofore, has proven entirely satisfac-

tory. The Training School for Nurses has practical, as well as philanthropical, aims, and should receive the general support of our public. These schools afford opportunities for many worthy women in our community to earn a livelihood. By the thorough preparation and training which they receive, an intelligent and well-equipped staff is provided for the care of the sick, not alone in our hospitals, but also in our homes.

We commend this institution to our friends for more general support than has heretofore been accorded to it.

MEDICAL APPOINTMENTS.

Dr. Howard Lilienthal, our former Adjunct, was promoted to the position of Attending Surgeon.

Under the new system introduced in the Surgical Department, Drs. George E. Brewer, Joseph Wiener, A.V. Moschcowitz, and Albert A. Berg were appointed Adjunct Surgeons last May.

CONSULTING AND ATTENDING STAFF.

Drs. A. Jacobi and E. G. Janeway, Consulting Physicians; Drs. Thomas M. Markoe and Daniel M. Stimson, Consulting Surgeons; Dr. S. Lustgarten, Consulting Dermatologist; and Dr. B. Sachs, Consulting Neurologist, respond whenever called upon for consultation and bring their skill and services for the benefit of our patients. Their high rank in the profession makes their connection an honor and a strength to our Institution. The active service is in charge of our Attending Staff, composed of Drs. A. G. Gerster, Howard Lilienthal, and William M. Fluhrer, on the Surgical Division; Drs. Julius Rudisch, Alfred Meyer, Morris Manges, and N. E. Brill, on the Medical Division; Dr. B. Scharlau, in charge of the service for children; Dr. Paul F. Mundé, in the Gynæcological Department; and Dr. Emil Gruening, in the Ophthalmic and Aural Service. The increased work in our Institution and the many serious cases brought to it have called for the sacrifice of much of their valuable time, as well as the application of their high medi-

cal attainments for the care of our patients, which have been extended unstintedly and conscientiously. Their devotion to the cause in which they are enlisted merits your thanks as well as ours.

A medical report was published for the first time this year, and contained detailed scientific statistics of the work done in the several departments of our Hospital, together with articles contributed by the members of our Attending Staff on important cases and the methods adopted for their treatment. This work records in an accessible manner the results gained from the vast medical experience which our Institution affords. It has proven of great value to the medical profession here and abroad, and its dissemination is well calculated to be of advantage to the general public.

The statistics show that 2,028 operations were performed in 1899, considerably more than in any previous year. Among these there were 295 laparotomies—six times as many as in 1893. This illustrates the increased work in all the departments of the Hospital, the growth of our Institution, and the necessity for enlarged facilities for its service as well as for the accommodation of patients.

ADJUNCT ATTENDING STAFF.

The Adjuncts in the Surgical Division, Drs. Brewer, Wiener, Moschcowitz, and Berg, are in regular attendance; those in the Medical and Special Departments, Drs. D. H. Davison, Henry W. Berg, Henry Koplik, Charles H. May, Carl Koller, and Joseph Brettauer, take charge of the service during the summer months and at other times during the absence of their respective Attending.

It gives us pleasure to state that this system, inaugurated in 1894, has proven itself a correct and desirable feature, supplementing, as it does, each department with physicians of high standing, familiar with the methods of our Institution and ready to do the work whenever required. We appreciate the good service rendered by the Adjuncts of our Hospital.

DISPENSARY STAFF.

This large and important service is subdivided into many departments, each provided with a chief and a staff of assistants.

It is only in our annual report that we have the opportunity to publicly express our appreciation for their faithful attendance and constant care of the many poor people who come to our Dispensary for medical aid. We record their names below, with the departments in their charge.

Internal Male Department.

Henry Heiman,	Alfred Michaelis, Michael Schiller, Martin Cohn,
F. L. Wachenheim,	Heinrich Vogel, E. John Bero.

DISTRICT SERVICE.

The purpose of this branch of our service at the homes of applicants for admission for whom no provision can be made in the Hospital, is well understood, and requires no comment from us other than to acknowledge the satisfactory performance of the duties devolving upon Drs. Robert Abrahams, Mayer Katzenberg, Charles Goodman, F. L. Wachenheim, Heinrich Vogel, and Harry Rodman, who have had charge of our district service last year.

HOUSE STAFF.

Our House Staff is composed of five members in line of promotion in each division, and two provisionals for the

Surgical and two for the Medical Departments, who serve for one year.

The members of this staff are: Dr. Andrew G. Foord, House Physician; Dr. Lewis W. Allen, House Surgeon; Dr. L. A. S. Bodine, Senior House Physician; Dr. L. B. Meyer, Senior House Surgeon; Dr. Israel Strauss, Junior House Physician; Dr. Eugene H. Eising, Junior House Surgeon; Dr. Moses Thorner, First Medical Externe; Dr. I. W. Becker, First Surgical Externe; Dr. Herman B. Schwarz, Second Medical Externe; Dr. Edwin Beer, Second Surgical Externe; Drs. Edward J. Miller and M. M. Stark, Medical Provisionals; Drs. Charles E. Rosenwasser and J. Howard Staub, Surgical Provisionals.

They have been faithful and have manifested due regard for the interests of our Institution. Drs. Sidney Ulfelder, House Surgeon, and William G. Eckstein, House Physician, having served their full term to the satisfaction of the Medical and Lay Boards of the Hospital, received their diplomas and the usual souvenir on their retirement last July.

EXAMINING PHYSICIAN.

Dr. Max Rosenberg has discharged the duties and responsibilities of this important position with tact, precision, and ability.

PATHOLOGICAL DEPARTMENT.

Dr. F. S. Mandlebaum, Pathologist, and Dr. E. Libman, his assistant, have rendered most efficient service and are well entitled to the commendations expressed by the Attending Staff for their scientific examinations.

SUPERINTENDENT.

Mr. S. L. Fatman has managed his department in a painstaking, conscientious manner. Our patients have received his considerate attention and care. He is well seconded by Mr. Gustave Abrams, our Assistant Superintendent.

THE MATRON.

Mrs. Leopold Minzesheimer fills her position with scrupulous fidelity. Guided by her long experience and readiness to serve the best interests of our Institution, she is most efficient in the supervision of her important department. The kindliness of heart which she constantly extends toward our patients is of great benefit to them and to our Institution.

PHARMACY.

Independent of the large number required for the Hospital, our Pharmacy has compounded over 86,000 prescriptions for our Dispensary, Outdoor Department, and sister institutions. This service calls for skill and thoroughness as well as conscientious application. We are gratified to testify to the fact that Mr. J. Skudin, our apothecary, brings these requisites to the important service which has been placed in his hands.

SISTER INSTITUTIONS.

As in the past, so in the present, we have promoted and maintained friendly relations with all our sister institutions. We were enabled to serve many of them in caring for those who were properly referred to our Hospital, and have likewise received most cordial consideration for such cases as came within the scope of their work.

These reciprocal relations are calculated to produce a more perfect system for the care of the unfortunate and have, in a large measure, contributed to the deserved recognition generally accorded to the constellation of our Jewish charities, every one of which has a well-merited place in the affections of our people.

The Orphan Asylum, Montefiore Home, United Hebrew Charities, the Home for Aged and Infirm, Educational Alliance, Hebrew Technical Institute, our Sisterhoods, and others, all have their special mission and duties, which are performed by each with such fidelity and sacrifice of time as to elicit our deep respect and warm admiration.

May each link in this golden chain become more firmly welded and grow stronger with time, so that within its beneficent circle relief may be afforded to all those for whom the tender feelings of our hearts go forth in sympathy and commiseration.

ACKNOWLEDGMENTS.

Messrs. Hoadly, Lauterbach & Johnson, our old and staunch friends, have again placed us under obligations deeply appreciated, for which we feel unable to render ample acknowledgment. We cannot particularize without being prolix. The gratuitous services of the firm, their office and its entire staff, have been constantly placed at our disposal, and wherever work was to be done for Mount Sinai Hospital they have served our interests ably, promptly, and efficiently. The resulting benefits to our Institution have been of such magnitude that we can best express ourselves by saying that their aid and services entitle them to rank as one of the largest and most beneficent contributors to our Institution.

Mr. M. Warley Platzek has endeared himself to us by his many acts of kindness and his readiness to promote our cause whenever possible. We thank him heartily, most sincerely, for his generous aid and for his warm interest in all that concerns the welfare of our Hospital.

We acknowledge the many courtesies extended to us by the Hon. John W. Keller, President of the Department of Public Charities, and by Mr. George Blair, Superintendent of the Outdoor Poor Department.

To our ministers, the editors who supply our inmates with copies of their journals, and the many benevolent men and women in our community who exemplify their thoughts by kind deeds for our patients—to one and all we say, God bless you, and may many years of happy well-doing be vouchsafed to you!

MEDITATIONS.

As our eyes are directed to the surroundings in our Board room, there is involuntarily conveyed to our minds the history of the past, and we behold the faces of many who were foremost in the development of our Institution.

A small frame upon the wall contains a resolution dated June 13th, 1852, in recognition of the services of B. Benrimo, Adolphus S. Solomons, L. Bierhoff, S. A. Lewis, Max Bachman, N. Content, L. H. Simpson, Rowland Davis, George Henriques, George King, and Henry Honig. It reads thus: "In consideration of their laudable efforts to advance the interests of the 'Jews' Hospital in New York,' in conducting a ball in February, 1852, the proceeds of which were paid into the treasury, thereby forming the commencement of its fund."

Again, similar mementoes of three charity balls held in 1880, 1889, and 1897, under the auspices of the Purim Association, bear testimony to the public-spiritedness of this Association, and show that the sum of $48,960.28 was contributed therefrom to our treasury.

There the portrait of John I. Hart, Vice-President of our Hospital in 1852 and its President in 1855; of the Rev. Dr. S. M. Isaacs, Vice-President in 1856; of Benjamin Nathan, President from 1856 to 1870; of Emanuel B. Hart, Adolph Hallgarten, and Harris Aronson, former Presidents, all of whom guided our Institution with ability and conscientiousness. Another of Solomon Sommerich, a Director from 1867 to 1889—the genial man whose goodness of heart went out to all who came to our Institution for relief. Again, one of Dr. A. Jacobi, the President of our Medical Board. Though identified with our Hospital for nearly forty years, his energies for, and his interest in, its work have neither relaxed nor diminished.

These are the causes and forces which have been so largely instrumental in the upbuilding of our great charity. May such benefactors ever be found to guide and maintain our humane cause!

The trend of our modern civilization is for that which is ennobling. Science shows us our common origin, and philosophy teaches us the interdependence and brotherhood of man. The realization of our imperfection and the knowledge of our weakness have largely produced the readiness of those blessed with health and worldly possessions toai d others less fortunate than themselves. Thus we see a large part of our community organized into an imposing army enlisted under the banner of humanity, to relieve distress and suffering in every form. Here we behold a corps protecting the helpless orphans from the dangers which beset them; there, another marshalled to fight against the attacks of sickness and disease, oft wresting the victim from the fell destroyer; another band leagued together to ward off the inroads of chronic disease and give hope to those where hope had well-nigh fled; again, a group shielding the old and infirm, giving them comfort and happiness in their declining years.

All these forces are well supported and strengthened by the many noble women in our community who, animated by their generous impulses, extend the influence of their gentle natures in behalf of the great cause of charity. Thus every avenue is watched, every approach is guarded, by trusty sentinels enlisted for the alleviation of the distressed who appeal so strongly to the best sympathies of the human heart. Surely, "Peace hath her victories no less renowned than war."

Mount Sinai Hospital, foremost in the van, has done heroic service for the cause it represents; it has upheld its banner for half a century without blemish or taint upon its escutcheon, responding with heart and hand to its humane calling for the relief of suffering mankind.

This godly cause for the saving of life and the promotion of human happiness is the essence of all religious and ethical teaching; synonymous with civilization, it calls for the observance of the noblest virtues of man, and proclaims to

all the divine command: "Thou shalt love thy neighbor as thyself."

MINUTES

OF THE

ANNUAL MEETING OF THE MEMBERS

OF

THE MOUNT SINAI HOSPITAL,

Held January 27th, 1901.

The President, Mr. Isaac Wallach, in the chair, and a quorum present.

The reading of the Minutes of the last Annual Meeting was dispensed with.

A letter from Mr. Solomon Loeb and a telegram from the Hon. Isidor Straus, regretting their inability to be present at the meeting and conveying words of approval and commendation of the action of the Directors in proceeding with the erection of the New Hospital Buildings, were read and ordered filed.

The report of the President and Board of Directors was read by the President, and the Treasurer's report was read by the Secretary. Mr. Isaac Stern, Chairman, submitted

and read a special report from the Building Committee, all of which were ordered to be printed and sent to the members of the Hospital.

The addition to Article VI. of the Constitution, referring to Honorary Directors, was read and unanimously adopted.

Mr. Nathaniel Myers addressed the meeting and expressed for himself and on behalf of the large assemblage present the general satisfaction felt by the community with the administration of the Hospital. His words of encouragement were approved by those present with a rising vote, on a motion to extend thanks to the Directors of the Hospital for the efficient manner in which they have conducted the affairs of the Institution during the past year.

Mr. Jacob H. Schiff added a few words of commendation. In his well-received remarks he said that, in his opinion, the new Hospital with four hundred beds would provide no more accommodation than what would be actually required for the wants of the community, and he further expressed his confidence and assurance that the funds still needed for the completion of the Buildings would be forthcoming.

The President responded on behalf of the Directors, and thanked the members for their full attendance and for the encouragement and commendation so generally voiced by all present.

The meeting then adjourned for the purpose of proceeding with the election of Officers and Directors.

LOUIS M. JOSEPHTHAL,

Secretary.

THE MOUNT SINAI HOSPITAL,
January 27th, 1901.

At an election held this day the following Officers and Directors were elected:

MR. ISAAC WALLACH as President,
MR. ISAAC STERN as Vice-President,
MR. E. ASIEL as Treasurer,
MR. LOUIS M. JOSEPHTHAL as Secretary,

For the term of one (1) year from January 1st, 1901.

MR. ISAAC BLUMENTHAL,
MR. LOUIS STIX,
MR. ISAAC N. HEIDELBERG,
MR. ADOLPH HERRMANN,
MR. DAVID WILE,

As Directors for the term of four (4) years from January 1st, 1901.

HENRY ROSENWALD,
JOSEPH B. BLOOMINGDALE,
SAMUEL M. SCHAFER,
Inspectors of Election.

GUSTAVE ABRAMS,
Secretary to Inspectors.

Report of the President and Board of Directors.

NEW YORK, December 1st, 1900.

To the Members of the Mount Sinai Hospital of the City of New York:

As we stand now upon the threshold of the incoming century, realizing the fallibility of human effort, we pause for a moment to review the past and to gain wisdom from our experience for the safe guidance of our Institution in the future. We cast a retrospective glance upon what has been accomplished, and our hearts are filled with gratitude for the good that has been done by those who have so generously aided in the support of our Hospital. Looking forward, we are inspired with hope and confidence in the knowledge that the benevolent spirit so manifestly shown by you heretofore will sustain our Institution in the future and enable it to continue in its mission of mercy.

The higher sentiments and nobler aspirations of life are well exemplified by the great cause which you are maintaining—one which has proven not alone a boon to suffering mankind, but also a source of satisfaction and a blessing to you. It is with this thought that we present to you our report for the fiscal year ending November 30th, 1900.

DEPARTMENTS OF THE HOSPITAL.

With our inadequate facilities, we have, nevertheless, cared for 3,352 patients in the Hospital, 82 more than during the preceding year. The total number of applications was 6,522, as against 6,095 in 1899, an increase of 427. Many of the applicants refused were hospital cases, yet no provision could be made for them at the time on account of the constantly crowded condition of the wards. We look forward with hope to the early erection of the New Hospital Buildings, with proper and sufficient accommodations to meet the requirements of the public.

Our Dispensary has continued its usefulness in relieving patients whose illness was not serious enough for their admission to the Hospital. Its various departments have been well attended to by the physicians, and we take this occasion to express our thanks to the medical gentlemen in charge of their respective divisions.

The District Service has proven valuable and important in its operations in providing temporary medical relief for such hospital cases as were proper for admission, but for whom no beds were vacant at the time. The services

rendered by the doctors appointed to visit those patients entitle each and every member of the staff to our grateful acknowledgments.

NEW HOSPITAL BUILDINGS.

The erection of the New Hospital Buildings, authorized by you, is the most important subject engaging our attention. It has been and is our aim to push this great work with all possible vigor to an early completion. Nevertheless, due conservatism and a proper regard for conditions existing at the time have tended to delay our operations to a slight degree. With the exercise of much thought and the application of much time, working plans were completed last spring, and specifications were given out to a number of bidders in the various building trades. Materials were then at a maximum price. The estimates received, taking the lowest bidder in each class, aggregated a sum far beyond our means. This, and the opinion of those well informed on the subject that materials would be lower this fall, induced the postponement of active work until the present time.

The plans and specifications have since then been thoroughly revised and modified with consistent regard for the requirements of the departments and service to be provided for, but, nevertheless, calculated to considerably reduce the cost of the buildings. Excavating and blasting were continued through the summer at a cost of nearly $25,000, and the buildings will be begun immediately after the estimates upon the new specifications are accepted. The modification of our plans and the lower cost of materials at the present time will enable us, with some additional aid from our friends, to complete a work that has engaged your and our earnest attention for years, the fruition of which will be a pride to our city and a glory to our people.

SUBSCRIPTIONS FOR THE NEW HOSPITAL.

The entire subscriptions for the Building Fund aggregate

the sum of $1,190,831.76. These include the special dedications hereinafter referred to. Of this amount there has been collected to date the sum of $876,929.26, a part of which, together with $186,000 taken from our Permanent Fund, was applied at the time to the payment for the new Hospital site, on which there still remains an unpaid mortgage of $80,000, due in March, 1901. Since then we have transferred $100,000 additionally from our Permanent Fund to this account.

and the amount which we shall hereafter realize from the sale of the Hospital and Dispensary plants on 66th and 67th

streets and Lexington avenue, which we own in fee unencumbered.

Preliminary estimates accurately made indicate that at least $350,000 more will be required to cover the cost of the New Hospital Buildings.

We are fully justified in referring to the generosity of our members and friends as an example of liberality unprecedented in the history of our Jewish community. This makes us feel confident that the amount required will be contributed in part by those who have not yet been personally solicited by our Directors, and the remainder by those able and willing to increase their previous subscriptions.

DEDICATIONS IN THE NEW HOSPITAL.

The family of the late Mayer Lehman, our former colleague, has donated the sum of $75,000, and will add as much more as may be required, for the Dispensary Building, to be erected as a memorial to his name.

Mr. Henry L. Einstein has dedicated the Children's Pavilion with 54 beds for surgical and medical cases, in memory of his son. Lewis Einstein, for which he has donated the sum of $125,000, the cost of its erection.

The Private Hospital will be dedicated in perpetuity to the memory of Barbara Guggenheim, for which purpose the sum of $200,000 was subscribed by her husband, Mr. Meyer Guggenheim, and her sons, Messrs. Isaac, Daniel, Murray, Solomon, Benjamin, Simon, and William Guggenheim.

Mr. Benjamin Stern has subscribed the sum of $20,000 to fit and equip the main operating room as a perpetual memorial to his brother, the late Bernard Stern.

Our Director, Mr. Adolph Lewisohn, has subscribed the sum of $50,000, and will give as much more as may be necessary, to erect the Pathological Building. In addition thereto, he has generously offered to equip this department and to pay for its maintenance. It is in the great laboratories, especially in those of hospitals, that most of the valuable discoveries in medical science have been made.

Such opportunities for research and study in medical fields are well calculated to prove of inestimable value not alone to the patients of our own Hospital, but to communities here and elsewhere. It is a most gratifying sign of our time that, animated by sympathetic and benevolent considerations, those able to do so give a part of their means for the care of the unfortunate. The generous donations of these liberal-spirited and large-hearted members of our Institution give assurance of the success of our project.

Thanks, great thanks, are due to them, not only from our patients, our members, and from us, but from the citizens of New York in general. These noble examples will surely stimulate other dedications. The plans of the Hospital provide for general wards, and, in addition thereto, for a large number of rooms containing from two to four beds. These afford opportunity for establishing special dedications or memorials by those who desire to perpetuate their names or those of their departed dear ones, and thus make practical provision for the sick poor who are objects of their commiseration.

In the observance of our duties, and in giving due consideration for the care of others, whether those who appeal to us for help are of our own faith or not, we give practical illustration of the broadening ideas of our more enlightened era. The dawn of light and progress unveils to our view noble men and women of different faiths banded together to elevate mankind—endeavoring to soften the hardships which are encountered in life's pilgrimage. They realize that religion in its doctrinal form is largely the result of birth and education; that while man may step aside into the by-paths to worship God as he was taught, yet when he returns to the broad highway of life he should know that he is the same as other beings; that he breathes the same air, looks up to the same skies, admires the same wondrous phenomena of creation, and that, like others in this earthly life, he looks upward with the same hopes and expectations toward the mystic realms of eternity. The better understanding of these liberal doctrines tends to promote the true

relations which should exist among us all, and will do much to dispel error, injustice, and the false conclusions formed by those who allow religious barriers to interfere with a just recognition of the good deeds performed by others not of their own faith. Consecrated to its humane cause, the Mount Sinai Hospital has for the past half-century—since its foundation—conducted its affairs with full recognition of this broader conception of practical religion and duty. A compilation of its merciful work would fill volumes with deeds of goodness unexcelled by any other institution of its kind. Thus guided and maintained in the past, it gives full promise in the future to remain an anchor and a strength for the unfortunate—a place of refuge for the afflicted in their hour of distress.

May each and every one in our community recognize his obligation for the upholding of a work which sheds lustre upon us as citizens and Jews.

MEMBERSHIP.

Our register of members shows that we have the following number of annual contributors at the present time:

Donors,	173
Patrons,	778
Members,	2,885
Juniors,	14
In all,	3,850

We added during the year:

Donors,	3
Patrons,	51
Members,	205

3 Patrons were changed to Donors.

23 Members were changed to Patrons.

Our receipts from annual contributors during the past fiscal year were about the same as in 1899. This indicates that, owing to deaths, resignations, and other causes, we lost as many members as were added. A careful computa-

tion, based upon the estimated number of adult male Jews in our city, with due allowance for the proportion unable to share in the support of our charitable work, clearly demonstrates the fact that the registers of our principal institutions should contain at least the names of ten thousand contributors of the different grades of membership provided for.

Looking forward, as we do, to the early completion of the new Hospital, with nearly double the capacity of the present one, we realize that the expenditures for maintenance will be largely increased. This gives us much concern. The consideration of this important matter has led us to the conclusion that we must at once institute energetic efforts for the gradual improvement of our financial condition by providing for a larger annual income, to avoid possible embarrassment in the near future. Our Directors on the Committee on Membership have inaugurated a vigorous personal canvass in the past few weeks and have met with marked success. We have, in accordance with their suggestion, appointed a number of public-spirited gentlemen as "Associates" on our Committee on Membership, from whom we have every reason to expect co-operation and assistance in this meritorious cause. Our Committee is imbued with zeal and enthusiasm in the work, and its members feel confident that within the next year no less than one thousand new contributors will be added to our present list. May we not ask you, our members in general, to aid us by inducing your friends to join our ranks?

LEGACIES AND BEQUESTS.

The following legacies and bequests were received during the past year:

From	Moses Brühl, ...	$500.00
"	Michael Siegman, . . .	1,000.00
"	Minna Weller, ...	1,000.00

PERPETUAL BEDS.

Perpetual beds were dedicated during the year:

In memory of David Marks, by his wife, Mrs. Leontine Marks.

In memory of Louise Hoffman, by her children.

In memory of Simon and Rosette S. Bernheimer, by their son, Mr. Jacob S. Bernheimer.

In memory of Bertha Kohn and Sophie Kohn, by their husband and father, Mr. David Kohn.

In memory of Sigmund Housman, by his son, Mr. Arthur A. Housman.

In memory of Babette Housman, by her son, Mr. Arthur A. Housman.

Enduring monuments, perpetuating the memory of the departed, these dedications do honor to the living as well as to the dead.

LIFE BEDS.

A life bed was founded by the Purim Association. We thank the gentlemen connected with this worthy society for this further evidence of their good-will

DEATHS.

The thought of our finite transitory existence is most forcibly brought to our minds at this time, when we realize that so many good friends of our Institution have been called from this earthly life to eternal rest. The deaths during the year were:

Those of you who were bound to the departed by closer ties hold them in affectionate, loving remembrance; we can only cherish their memory and offer our gratitude for the aid which they were ever ready to extend to our Institution.

We refer to the great loss to our community in the death of Isaac Rosenwald, a former President of the Home for Aged and Infirm Hebrews; of James H. Hoffman, President of the Technical Institute; and Abraham Wolff, Treasurer of the Hebrew Benevolent and Orphan Asylum Society. Actively engaged as they were for many years in the management of these societies, we, who represent a sister institution, can but pay a deserved tribute to their virtues, and render due homage for the devotion which they constantly manifested for the institutions with which they were connected. As, by the limitations of creation, leaders are thus taken from our ranks, may others be found to champion the great cause of humanity.

SEVENTIETH ANNIVERSARY OF DR. JACOBI.

The fifth of last May marked the seventieth anniversary of the birth of Dr. Abraham Jacobi, the President of our Medical Board. Tributes of honor were extended to him from civic and medical bodies and associations, not only from those in our own country, but also from many in the great centres of Europe. Dr. Jacobi has been identified with our Hospital for over forty years. He has stood at the cradle of our Institution when it was in its infancy, and has

seen it grow into the vigor of manhood; he has furthered its cause, and has contributed largely to its upbuilding and renown. With a sense of our deep gratitude for his eminent services and faithful devotion to the Mount Sinai Hospital, the Directors of our Institution presented him, on behalf of our members and themselves, with a suitable souvenir etched with symbols emblematic of his specialization of infantile diseases and of his general contribution to medical science. This presentation was made in our Board Room, in presence of the members of the Attending Staff and our Directors; and in accepting our offering, Dr. Jacobi feelingly referred to his life-long connection with our Hospital. It may be properly said that our Institution was the first among the hospitals of this city to establish a Children's Service. This department was opened in 1879 for Dr. Jacobi, and remained in his charge, as Attending Physician, for many years thereafter. It is our earnest hope and prayer that good health and long life may be granted to Dr. Jacobi to enable him to continue his noble efforts in behalf of mankind.

RESIGNATIONS AND APPOINTMENTS ON THE ATTENDING STAFF.

Dr. Barnim Scharlau, Attending Physician in the Children's Department since 1884, found it necessary last December, on account of his intended residence abroad, to tender his resignation. In appreciation of his valuable services, the following resolutions were presented to him as a testimonial of our regard and esteem:

"The Board of Directors of the Mount Sinai Hospital, at its meeting held December 17th, 1899, having received a communication from Dr. Barnim Scharlau, in which, on account of contemplated and prolonged absence abroad, he tendered his resignation, to take effect February 1st, 1900, and being desirous of expressing the high esteem in which he is held by them, have unanimously resolved:

"That it is with great regret that we accept the resignation of Dr. Barnim Scharlau, and while we realize the

necessity for the severance of his official relations with our Institution, which he has so faithfully served, we nevertheless feel confident that his interest in its welfare will be continued and maintained.

"That during the sixteen years of his connection with the Mount Sinai Hospital as Attending Physician, he has devoted time, energy, and the conscientious application of his skill for the benefit of the sick children in his charge, who constantly received his kind and most considerate care.

"That the thanks of our Board are eminently due and gratefully tendered to Dr. Scharlau for his zealous devotion and unselfish efforts to ameliorate the condition of suffering mankind which he has so manifestly exemplified by his service in our Institution.

"That it is our earnest hope that many years of usefulness may be vouchsafed to him in the enjoyment of health and happiness.

"And it was further resolved that these resolutions be entered in the minutes of our Board, and that an engrossed copy thereof be sent to Dr. Scharlau as a slight token of our appreciation and regard."

Dr. Henry Koplik, the Adjunct in that department, was appointed Attending, and Dr. Henry Heiman in his place, as Adjunct Attending Physician in the Children's Service.

Dr. William F. Fluhrer, Attending Surgeon for twenty-one years, offered his resignation last October. This step was taken from the conscientious conviction that his health would not permit him to devote the time and attention required for his service. During his connection with our Hospital he has given the benefit of his skill to our patients, and has constantly evidenced his great devotion to our cause. As an expression of our due recognition, with the concurrence of the Medical Board, he was appointed Consulting Surgeon to our Hospital.

Dr. George E. Brewer, Adjunct Attending Surgeon, resigned last May, and Dr. Charles A. Elsberg was appointed in his place. Dr. Brewer filled the position to our full satis-

faction, and we regret the necessity which caused him to sever his connection with Mount Sinai Hospital.

Dr. Herman Goldenberg was appointed last June as Adjunct Attending in the Dermatological Department.

LADIES' AUXILIARY SOCIETY.

During the past year, as in many preceding ones, the ladies of the Auxiliary Society have again placed us under obligations of a character which makes it difficult to render sufficient acknowledgment. The entire linen, bedding, and clothing for our patients have been furnished by them to the Hospital free of cost. Aside from this great work of charity, they visited our wards to cheer and comfort our patients, and their presence, like sunshine, brought hope and joy to many a weary soul.

This association of noble-hearted ladies is officered by Mrs. M. H. Moses, President; Mrs. J. A. Cook, Vice-President; Mrs. Louis Lavanburg, Second Vice-President; Mrs. Julius Beer, Treasurer; and Mrs. J. R. Seligman, Secretary. To them, and to each one of the members of their Society, we offer in this feeble manner, on behalf of our Institution, most grateful expression of our high appreciation of their good deeds, with our fervent prayers for their long life and happiness.

MOUNT SINAI HOSPITAL ALLIANCE.

Since the closing of our accounts for the past fiscal year, we have received the sum of one thousand dollars from this Association.

The Mount Sinai Hospital Alliance is composed of a number of young ladies and gentlemen who are earnestly engaged in aiding our Institution financially and otherwise. Our desire not to defer acknowledgment of this liberal donation until next year, when it will appear in the account of our Treasurer, induces us to make mention thereof in this year's report.

It is gratifying to observe the noble promptings of our young people, who, in early life, thus show such a ready disposition to be helpful in our charitable work.

In thanking the members of the Alliance, we renew the hope that their association may grow in numbers and continue in well-doing, so that they may be a strength to us and a benefaction to those who come to our Institution for relief.

SISTER INSTITUTIONS.

It is with much satisfaction that we make record of the unity of action and good accord existing between our eleemosynary institutions. In a broad sense they are managed by those in charge as a public trust, providing with conscientious fidelity for each particular class of beneficiaries for which they were established. The wholesome influence of this mutual co-operation has widened the activity and promoted the usefulness of our great charities. They are indeed a diadem of bright jewels which sheds light into darkness, and gives joy to those who would otherwise be doomed to misery and despair.

HOSPITAL SATURDAY AND SUNDAY ASSOCIATION.

Our apportionment from the undesignated fund was $4,915.59. This evidences the fact that, as heretofore, we remain in the front ranks of the list of hospitals which treat the largest number of free patients.

The 22d, 23d, 29th, and 30th of December have been designated as Hospital Days for general collections. We hope that the result will show a wider interest and more active participation on the part of all classes in our great metropolis. These collections afford opportunity to every one to give in accordance with his ability. They represent the combined effort of our citizens to aid worthy institutions depending on the public—many of which are hard pressed for means to maintain the charitable work in which they are engaged.

Knowing, as we do, the unselfish spirit prevailing among

the members of the Hospital Association, we feel it our duty to encourage undesignated contributions from our friends.

TRAINED NURSES.

The Mount Sinai Training School for Nurses continues in its relations with our Hospital in providing nurses for our patients. The service has been satisfactory. This school has claims upon the public, in that it educates a corps of efficient women to minister to the sick in private families in this city, and is well entitled to the support of all who are philanthropically inclined.

CONSULTING STAFF.

This Staff is composed of Drs. A. Jacobi and E. G. Janeway, Consulting Physicians; Drs. Thomas M. Markoe, Daniel Stimson, and William F. Fluhrer, Consulting Surgeons. They evince a warm interest for the welfare of our Institution, and our patients receive the benefit of their great skill whenever consultations are desired. We thank the members of our Consulting Staff in your name as well as in ours.

ATTENDING STAFF.

Our Surgical Department is in charge of Drs. A. G. Gerster and Howard Lilienthal; our Medical Division in that of Drs. Julius Rudisch, Alfred Meyer, Morris Manges, and N. E. Brill. Dr. Henry Koplik has charge of the Children's Ward; Dr. Paul F. Mundé, of the Gynæcological Department; Dr. Emil Gruening, of the Ophthalmic and Aural Service; Dr. S. Lustgarten, of the Dermatological, and Dr. B. Sachs, of the Neurological Department.

Our patients are thus attended by physicians of prominence and experience. We record our sense of obligation and appreciation of the valuable services which they have rendered to our Institution.

ADJUNCT ATTENDING STAFF.

The various appointees on this staff have filled their

respective positions to our satisfaction, and have readily responded whenever called upon to take charge of their divisions.

HOUSE STAFF.

The members of the House Staff have been faithful in the discharge of their duties. Drs L. W. Allen, House Surgeon, and A. G. Foord, House Physician, retired on the 31st of December last. Dr. L. B. Meyer retired on the 30th of June. They served their full term to the satisfaction of the medical and lay management of the Hospital, and received the usual diplomas on their retirement.

ADMINISTRATIVE DEPARTMENTS.

Dr. Max Rosenberg, Examining Physician; Dr. F. S. Mandlebaum, Pathologist; Dr. E. Libman, Assistant Pathologist; and Mr. J. Skudin, our Apothecary, have filled their important positions with fidelity and conscientiousness.

Mr. S. L. Fatman, Superintendent; Mr. Gustave Abrams, Assistant Superintendent; and Mrs. Camilla Minzesheimer, Matron, merit our commendation for their painstaking efforts to serve our Institution with vigilant care for its economical management and with due regard for the welfare of our patients.

LEGISLATION.

Under the Laws of 1900, Chapter 166, an Act was passed by the Legislature, accepted by the City, and became a law on the 21st of March with the approval of the Governor, which gave to the Mount Sinai Hospital the grant of its site on the northeast corner of 67th Street and Lexington Avenue (on which the Dispensary Building is erected), which was leased to the Hospital for ninety-nine years from January 1st, 1894, at an annual rental of one dollar. The Commissioners of the Sinking Fund passed resolutions on the 26th day of October, 1900, carrying out the provisions of this law, and the deed for this property has been received and recorded.

Our Board submits, with its recommendation for your adoption, the following addition to Article 6 of the Constitution:

HONORARY DIRECTORS.

Honorary Directors may be elected from those who have served as Directors of the Hospital for not less than ten consecutive years.

Elections for such Honorary Directors shall be held at the first meeting of the Board subsequent to that in which the nominations were made; two or more dissenting votes shall prevent the election of any nominee.

Honorary Directors shall have the right to be present at all meetings of the Board and to participate in the discussion of matters before it, but shall not be privileged to vote.

ACKNOWLEDGMENTS.

Messrs. Hoadly, Lauterbach & Johnson have gratuitously attended to all our legal matters and have given us their free and unstinted efforts to promote the interests of our Hospital wherever possible. We feel most grateful to them for their eminent services, and make this inadequate expression of our deep-felt appreciation.

We thank the Hon. John W. Keller, President of the Department of Public Charities, and Mr. George Blair, Superintendent of the Outdoor Poor Department, for courtesies extended to us and to our Institution.

To our many friends whose good-will and favor we enjoy —among these our ministers and the editors who supply our patients with copies of their journals, and all others who have strengthened and aided us in so many ways for the great cause represented by Mount Sinai Hospital—we extend our heartfelt acknowledgments for their thoughtfulness and sympathy.

The nineteenth century has been richer in the advancement of science and civilization than any other which has

preceded it. In medicine it has produced anæsthesia, bacteriology, bloodless operating, antisepsis, antitoxin therapy, and the Röntgen rays.

These great discoveries have conferred inestimable blessings upon mankind. By their application life has been saved which it would have been impossible to save under other conditions, thus diffusing happiness through many a household which would otherwise have been clouded with sorrow.

During this period Benevolence has fully co-operated with Science. In all communities, notably in ours, the well-to-do have evidenced a higher and nobler conception of their obligations toward their less fortunate fellow-men, and have freely shown a readiness to devote their wealth to the development of science, the application of medical skill for the sick poor, and to the support of philanthropic institutions in general. This generosity has manifested itself particularly in the founding and maintaining of hospitals, and it is a noteworthy fact that of the 105 general and special private hospitals and dispensaries in this city, with but two exceptions, all have been brought into existence during this era. Of this number, 28 were established from 1850 to 1870 and 68 from 1870 to 1900, showing that seven of these medical institutions were founded in the first half and 96 in the latter half of the nineteenth century. From this it may be justly concluded that the charitable tendencies of our citizens have been equal to the growing needs of our community.

The seed planted many years ago has flourished into a strong and mighty tree; its branches, covered with rich foliage, are outstretched to give shelter and comfort to all who seek its protection. Firmly rooted in the soil of benevolence, nourished by the affectionate offerings and fostering care of those who from time to time have aided in its development, it has become a precious blessing for all mankind.

So stands forth Mount Sinai Hospital, a refuge and a shelter to the weary weather-beaten pilgrim, who, lingering by the wayside, invigorated by its beneficent influence, continues his journey on the great highway of life, blessing those who founded and those who have sustained this great charity.

Its history, rich with deeds of love, records the gratitude of many whose tears were dried and whose pains were stilled. In truth, it is a priceless treasure, a glory to all who have preserved it in its pristine strength and beauty.

Into the hands of those who come after us we place this heritage and heirloom for safekeeping and transmission from generation to generation, a living example of man's devotion to the holy cause which it represents, an acceptable offering on the altar of benevolence to Him who rules on high.

Respectfully submitted,

Report of the Building Committee.

New York, January 26th, 1901.

To the Members and Patrons of Mount Sinai Hospital.

At the Annual Meeting of our Society held January 8th, 1893, resolutions were passed by your body instructing the Directors to proceed with the erection of new fireproof Hospital buildings in place of the present antiquated structures, insufficient as they were at the time and still more so to-day, in order to provide larger facilities to meet the increased demands of the public.

The time since then has been utilized to advantage for the study and better understanding of the requirements of such buildings, as well as for the solving of problems for its economical administration.

The consideration of these questions presented difficulties which have been overcome, and we are now in a position to submit to you a summary of the work done by your Committee and the conclusions at which they have arrived.

The assured means for carrying out this great work were only put within our reach about two years ago, and thereupon active steps were promptly taken to secure the services of competent architects; plans and specifications for the proposed buildings were prepared, and estimates taken thereon, which were presented to the Board of Directors in May last year. These estimates proved to be greatly in excess of the supposed cost, and far beyond the amount intended to be expended for the erection of these buildings. Under these circumstances, your Directors did not feel justified in proceeding with the work of construction at that time.

In explanation of these large estimates, it is proper to

state that the main buildings, providing beds for four hundred patients, together with accessory departments, call for nine distinct fireproof buildings, all to be erected in accordance with the requirements of modern hospital construction. Labor and building materials had then attained about the highest price ever known in the building trade; this, applied to such a large plant, necessarily swelled the bids to a figure much beyond our original calculation.

This consideration induced your Board of Directors to postpone further action until the succeeding fall, in the hope that conditions would then be more favorable for our project. The Building Committee was further instructed to revise the plans and eliminate therefrom all items and features not deemed absolutely necessary, and, further, to substitute materials, where possible, which would be satisfactory, but calculated to reduce the cost of the new buildings.

After many months of arduous labor, revised plans and new specifications were prepared and submitted in December last to the various bidders. The result of this effort has been most gratifying, and it is with much satisfaction that we are now enabled to inform you that, through this revision and the more advantageous condition of the market for labor and building materials, we have succeeded in obtaining bids for the erection of the buildings for the sum of $1,650,000. These figures are considerably below those received in May last year, without in any manner reducing the size and accommodations of the buildings.

These estimates include and provide for the remodelling of the buildings now situated on a part of the new site, as a home for the nurses of the Training School.

Upon the presentation of its report, the Building Committee was unanimously instructed by the Board of Directors to proceed with the erection of the buildings. Contracts have since then been awarded for the main part of the work, and the construction of the New Hospital Buildings will be begun at once.

The period of delay, deliberation, and preparation is now a thing of the past, and we have at last entered upon the carrying out of the project which has so often been urged by you upon the Directors in several meetings since the one of 1893.

The goal so long striven for is now in sight. With your active help and co-operation, we hope and expect that the new Hospital will be ready for occupancy in the fall of 1902—a place of refuge for the sick and needy of all creeds and nationalities, and a source of pride and satisfaction to those who have furnished the means for its erection and support.

Respectfully submitted,

ISAAC STERN,

Chairman of the Building Committee.

MINUTES

OF THE

ANNUAL MEETING OF THE MEMBERS

...OF...

THE MOUNT SINAI HOSPITAL OF THE CITY OF NEW YORK,

Held January 26th, 1902.

The President, Mr. Isaac Wallach, in the chair, the full Board and a quorum present.

The reading of the Minutes of the last Annual Meeting was dispensed with.

The Report of the President and Board of Directors was read by the President and that of the Treasurer was read by the Secretary, which, upon motion, were ordered to be printed and mailed to the members of the Hospital.

The following alterations in and additions to Article IV of the Constitution on "Endowed Beds and Endowments," recommended by the Board of Directors, and of which notice was given to the members in accordance with Article X of the Constitution, were submitted for adoption:

A contribution of $1,500 to the general fund of the Hospital, if accepted by the Board of Directors, shall endow a Life Bed. Such a contribution shall entitle the donor thereof, during his or her lifetime, to name a patient from time to time to use and occupy one bed in the general wards of the main Hospital, free of charge.

A contribution of $2,500 to the general fund of the Hospital, if accepted by the Board of Directors, shall endow a Memorial Bed. Such a contribution shall entitle the donor thereof, during his or her lifetime, to name a patient from time to time to use and occupy one bed in the main Hospital, free of charge. Such donor may bequeath

that right to a successor appointed by the said donor in his or her last will and testament, or by any other instrument under seal, but no such right shall continue beyond a period of twenty-five years after the date of such contribution.

A contribution of $5,000 to the general fund of the Hospital, if accepted by the Board of Directors, shall endow a Perpetual Bed, but where under the provision of any will executed prior to January 1st, 1902, the sum of $2,500 or more is bequeathed to the Hospital in payment of any Perpetual Bed, the Board of Directors may, at their option, accept such sum in payment of such Perpetual Bed. Such contribution shall entitle the donor thereof, during his or her lifetime to name a patient from time to time to use and occupy one bed in the general wards of the main Hospital, free of charge. Such donor may bequeath that right to a successor appointed by said donor in his or her last will and testament, or by any other instrument under seal.

When a corporation is the donor, the privilege shall expire at the end of twenty-five years from the date of such contribution.

Tablets to commemorate the endowment of Life, Memorial and Perpetual Beds shall be placed in the Ward selected by the donor, subject to the rules of the Hospital.

A donor may change a Life Bed endowed by him or her to a Memorial Bed by making an additional contribution of $1,000 or to a Perpetual Bed by making an additional contribution of $3,500, or may change a Memorial Bed endowed by him or her to a Perpetual Bed by making an additional contribution of $2,500.

No patient shall occupy a Life, Memorial or Perpetual Bed unless he shall comply with the current rules of the Hospital and be a proper subject for treatment according to its regulations.

An endowment for the establishment of any special fund may be accepted by resolution of the Board of Directors. Such endowment shall be kept by the Treasurer as a special account, to which, however, other moneys donated for the same purpose may be added from time to time.

Upon a motion to adopt, duly seconded, a rising vote was taken. The tellers, Messrs. Gustave Abrams and Samuel Rothschild, reported 136 votes in favor and none against the motion, whereupon the amendments submitted in Article 4 of the Constitution were declared to be unanimously adopted.

The Board of Directors, having fully complied with the provisions in Article X of the Constitution, submitted for adoption the following alterations in and additions to Articles VI and IX of the Constitution on "Administration" and "Annual Meetings":

The Board of Directors of the Mount Sinai Hospital shall consist of twenty-nine members, inclusive of a President, a Vice-President, a second Vice-President, a Treasurer, and a Secretary.

Paragraph 1 of Article VI of the Constitution shall be changed so as to read as follows:

"The affairs of the Society shall be under the direction and management of a Board of Directors of twenty-nine members, to be chosen as hereinafter provided."

Paragraph 3 of Article VI of the Constitution shall be changed so as to read as follows:

"The officers of the Society shall be a President, a Vice-President, a Second Vice-President, a Treasurer, and a Secretary."

Paragraph 3 of Article IX of said Constitution shall be changed so as to read as follows:

"At each annual meeting of the Society there shall be chosen from its members by ballot and by plurality vote, a President, a Vice-President, a Second Vice-President, a Treasurer, and a Secretary, to serve for the term of one year, and six Directors to serve for the term of four years, and such additional Directors as may be necessary to fill existing vacancies in the Board."

Paragraph 4 of Article IX of the Constitution shall be changed so as to read as follows:

"The newly elected Officers and Directors, together with the eighteen Directors whose term of office shall not have expired, shall constitute a Board of twenty-nine Directors for the ensuing year, and said officers shall continue in office until their successors shall have been appointed or elected."

It was moved and seconded to adopt the proposed alterations in and additions to Articles VI and IX of the Constitution as submitted. A rising vote having been taken, the tellers appointed reported the vote to have been 134 votes in favor and none against the motion, and the same was declared to be unanimously adopted.

On motion of Mr. Edward Lauterbach, seconded by Mr. Louis Gans, it was unanimously

Resolved, that the four additional directorships hereby created shall not be filled by the members until the next annual meeting in January, 1903, but that the Board of Directors may fill the additional positions for the intervening period of time as vacancies.

And it was further *Resolved* that the Officers and Directors be, and they are hereby authorized and directed to file such papers and documents, and take such steps as in their opinion may be necessary and proper to carry out the changes made in the Constitution.

Mr. Jacob H. Schiff then addressed the meeting and extended the thanks of the members to the Directors of the Hospital for their faithful administration. He referred to the fact that inas-

much as the new hospital buildings would probably be ready by the end of the year, that this would be the last annual meeting in the old building. Mr. Schiff closed his remarks with the words from the Scripture: "Blessed be thou in thy going out and blessed be thou in thy coming in."

The Hon. A. S. Solomons, one of the members of the Hospital at its organization, and a contributor to the fund with which it was brought into existence, feelingly referred to its beginning and its development to the advanced position which it now holds among kindred institutions.

The Hon. Isidor Strauss, in his remarks, commented upon the great success achieved by the Directors in the erection of the larger Hospital. His kind words of encouragement were well received and much appreciated by all present.

The President responded on behalf of the Directors and thanked the speakers and all the members present for their words of commendation. In his remarks he reverted to the lifelong devotion to all humane and philanthropic causes by the Hon. Adolphus S. Solomons, who has been in active touch and participation with all our communal work from its very beginning to the present time. He voiced the prayer of all in wishing Mr. Solomons a long and blessed life for the continuation of his noble efforts in behalf of suffering mankind.

The meeting then adjourned for the purpose of proceeding with the election of Officers and Directors.

LOUIS M. JOSEPHTHAL,
Secretary.

REPORT OF THE PRESIDENT AND BOARD OF DIRECTORS.

NEW YORK, January 26th, 1902.

To the Members of the Mount Sinai Hospital of the City of New York:

The sun, disappearing on the horizon, leaves trace of its beneficent influence and gives us promise for the dawn of the morrow. Along its course even to its fast fading rays, there is impress of the radiant light and the fructifying warmth which it has given to mankind.

The merciful cause of our Institution, as exemplified during the past year, has likewise dispensed light and warmth into places which were dark and dreary, instilling joy and hope into hearts which were filled with pain and despair. It is indeed a glorious thought to you assembled here to-day, as well as to all others sharing the work with you, that you have contributed to this gratifying result. In promoting this great mission, you have aided in bringing health to the sick and you were instrumental in largely increasing the sum of human happiness. Every patient who has left our Institution cured, bears living testimony to the generous provision made by our constituents for this soul-inspiring benefaction. May the record for the past year, which we now present, be a comfort to you, may it stimulate us all to greater perfection in our work and to more far-reaching efforts for the help of those who come within the scope of our bounty.

DEPARTMENTS OF THE HOSPITAL.

With the Hospital, Dispensary and Outdoor Departments, we provide a threefold service, one which is far-reaching and well calculated to relieve a large part of the suffering existing in our Metropolitan City. The claims upon us in each of these departments become greater from year to year and tax our energies and financial ability to their utmost.

When it is considered that we have provided medical care for 32,976 persons during the past year, some fair idea may be formed of the magnitude of this work and the financial support which it requires. With the exercise of every possible effort and with the use of every facility at our command, we were, nevertheless, unable to provide for all who came to us for relief,— particularly does this apply to the Hospital, where 1335 applicants were denied admission last year for want of room.

THE LAYING OF THE CORNER STONE OF THE NEW HOSPITAL BUILDINGS.

In the presence of a large concourse of our citizens, members and friends, the Corner Stone of the New Hospital Buildings was auspiciously and successfully laid on the 22nd day of May, 1901, The exercises were opened with prayer by the Reverend Doctor Gustave Gottheil. His Excellency, Benjamin B. Odell, Jr., Governor of the State of New York, who had accepted our invitation to make an address on this occasion, was prevented from being present on account of illness in his family. His message, conveying regrets and expressing well-wishes for our Institution, was read and will be published with the rest of the proceedings.

Addresses were delivered by the Hon. Randolph Guggenheimer, Hon. Seth Low, Hon. Edward Lauterbach and Dr. A. Jacobi. The presentation of the trowel was made by the Chairman of the Building Committee and the Corner Stone was laid by the President of the Hospital. An original poem, composed by Miss Annette Kohn, was read by the Hon. Edward Lauterbach. The exercises concluded with a benediction by the Rev. Dr. H. Pereira Mendes.

The ladies of our Auxiliary Society supplied the decorations for the stands and donated the silver trowel with which the Corner Stone was laid. The Hebrew Orphan Asylum Band furnished

the music. Mr. Robert E. Simon, President of the Mount Sinai Hospital Alliance, assisted by a staff of its officers and members, acted as ushers.

The addresses, prayers and poem will be printed in full in connection with this report.

NEW HOSPITAL BUILDINGS.

Operations for the erection of the buildings were at once begun after the laying of the corner stone; these are sufficiently advanced at the present time to indicate a most satisfactory result.

The entire group of ten distinct buildings, though modest in their character, will, nevertheless, be imposing in style and well calculated to meet the best expectations of our constituents. It is our hope and belief that the New Hospital will be ready for occupancy by the end of this year.

This event will inaugurate a new era in the existence of our Institution, one which will open a field for greater usefulness and larger opportunities to minister to the sick and suffering in our community. The accomplishment of this great undertaking should fill our hearts with thankfulness to God, who has crowned our efforts with success; with gratitude to those who have aided in this ennobling work, and fill our souls with happiness that we shall behold the materialization of this long hoped for result, one which will be an honor to our people and a pride to our city.

The New Hospital in all its departments, both in the private and general wards, will have accommodations for 422 patients. Our per capita per diem cost of support last year was $1.54½, equal to $560 per annum for each patient. This indicates an annual cost of $225,000 for its support. Our reliable income for the past year was $67,260 from regular contributors, $28,745 from pay patients, and $10,450 from interest on invested funds, together $106,000. All other items in our receipts being variable and uncertain, cannot be depended upon with safety for the support of our institution.

We need and rightly expect additional help from those already enlisted, and more particularly so from many in our community who are able and have not yet aided in the maintenance of a cause which so forcibly appeals to the best sympathies of the human heart. This condition should awaken those who have lagged to

a true sense of their duty, so that the assistance which they can and should extend, may lighten burdens which have thus far been unequally distributed.

The Directors of the Hospital approach the advent of the larger sphere of usefulness, which our Institution will hereafter occupy, with much anxiety and with a feeling of great responsibility, a responsibility necessarily put upon them by our constituents, who so readily recognized the need and furnished the means for the erection of a larger hospital to provide increased accommodations for the care of the sick poor in our community. We, therefore, appeal most earnestly to every one of our faith able to share in the support of our greater hospital and not yet enrolled in our list of members, to respond to our entreaties and thereby give recognition to the just obligations upon them to uphold the meritorious cause represented by our Institution.

Hospitals should be favored by givers to public causes for many weighty reasons.

Hospitals place within reach of the sick poor the best means, so far as man possesses them, for the recovery of strength and health. They enable the indigent to put themselves under the care of the most skilful and proficient physicians, to receive treatment of the most approved scientific kind and to be generally well provided for. It is, of course, perfectly obvious that without hospitals which unlock to them, in as many cases as is possible, the gate which opens on the road to recovery, our poor, with little or no means, would be in a sorry condition. As it is, the hospitals supply them with all necessaries, even with comforts, and that gratuitously, except in those instances in which the patient is able or desirous to pay in proportion to his ability.

It must not be supposed that the restoration of health, though the immediate object of hospitals, marks the limit of their beneficent influence. When we consider what restoration of health means, we approximate a juster valuation of the widespread good accomplished. Practically always restoration of health means a warding off of sorrow, a spreading of joy and thankfulness.

It may be claimed by some that such benefits are too vague, too intangible and do not improve the economic status of the poor, which is, after all, the first step to be taken in alleviating their misery. In this regard also the hospitals can firmly take their stand as, perhaps, foremost among our charitable institutions.

Does not the recovery of health mean the return of the bread-winner to those dependent upon him for support? And does not the freely proffered gift of renewed physical well-being involve great saving to those to whom it might otherwise have meant the sacrifice of all their worldly goods, or even more often, does it not mean a new lease on life, and, therefore, a continued support for those to whom, without the kindly intervention of the hospitals, these benefits would have been denied?

As in the life of any one man care for the body comes before care for the mind, so in the life of humanity we must have regard first for physical well-being and then for mental. Sickness will always exist in our imperfectly organized society, and we must combat its onslaughts by means of well-equipped and amply endowed hospitals.

May the forces of noble men and women already organized under the banner of humanity be augmented, so that, unselfishly devoted to this life-saving mission, compassionate hearts and helping hands may go forth to all who fall by the wayside in the great battle of life.

SUBSCRIPTIONS TO THE BUILDING FUND.

The entire subscriptions to the Building Fund to December 1st, 1901, were..... $1,294,281.76

of which the sum of $103,450 was added since last year's report.

In the report of the Building Committee submitted to you at our last annual meeting, you were informed that, due to a revision of the plans and the more favorable conditions of the market for materials and labor, the cost of erection of the entire group of buildings had been reduced to the sum of $1,650,000. In this there was included an outlay of $50,000 for proposed alteration of the four apartment houses on the southwest corner of Madison Avenue and 101st Street into a home for the Training School for Nurses. Further consideration of this plan resulted in our decision to erect a new building for this department of the Hospital. A home for the housing of at least 160 occupants should certainly be fireproof. Any other construction would justly subject us to criticism and possibly to censure. While regard for economy induced us to adopt the original plan of altering these buildings, we have, since then, realized that this

would have been only a temporary expedient, and that, in the near future, it would have become necessary to erect a new building for the Training School. Such an undertaking, if postponed until after the completion of the Hospital, would have become most embarrassing. The board and lodging of the nurses elsewhere, during the period of construction, would have produced undue expense, be calculated to impair the service of the Hospital, and, under such circumstances, would have rendered the necessary supervision and disciplinary control of the nurses well nigh impossible. The old buildings have been torn down; plans for the nurses' home have been completed and estimates thereon indicate a probable cost of $200,000 for its erection. The pre-existing deficiency, provision for the cost of this building and the equipment of the Hospital in its various departments, will make it necessary for us to obtain $350,000 by further subscriptions or endowments to cover the cost of construction and equipment of the entire group of the Hospital buildings. With the fact that only 800 subscribers have contributed thus far to the fund, it is evident that many in our community, able to give, have not yet been reached and cannot be reached by the members of our Board. We invite your personal co-operation to the extent of canvassing in your immediate circle to supplement our efforts to obtain the necessary funds for the completion of the great project undertaken by us by your authority and direction.

MEMBERSHIP.

Our register of members shows that we have the following number of annual contributors:

Donors	178
Patrons	852
Members	3528
Juniors	14
In all	4572

We have added during the year:

4 Donors,
59 Patrons,
1089 Members,
6 Patrons were changed to Donors, and
85 Members were changed to Patrons.

Allowing for resignations, deaths and loss of members from other causes, the actual increase in our membership roll is 722 over last year. This splendid achievement is partly due to a number of our members who formed an organization under the title of the "Mount Sinai Hospital Membership Association", and by whose zealous efforts 209 members were enrolled last year. We thank these public-spirited gentlemen for their valuable co-operation.

The donation of thirty-eight thousand dollars was received through our esteemed friend, Mr. Emanuel Lehman, as an anonymous gift from a gentleman and his sister—not of our faith—in recognition of the non-sectarian character of our Institution. The only acknowledgment we can make of this act of generosity is by publishing, in full, our letter sent at the time to Mr. Emanuel Lehman:

New York, October 21, 1901.

Emanuel Lehman, Esq.

Honored Sir:—Your communication of the 4th inst., enclosing check for Thirty-eight Thousand Dollars, as a donation to our Hospital from "Friends through Emanuel Lehman" was duly received. We had hoped, as we wrote you in our previous letter, that the President of our Hospital might be afforded the desired interview with our "Friends," to thank them in person, and be enabled to acknowledge this munificent gift with a communication from our Board. Further, that we might be privileged to make record of the names of the givers in our annual report, to indicate an example of philanthropy to be emulated by others.

In expressing to the donors our sense of deep obligation, it is the desire of the Directors of the Mount Sinai Hospital to emphasize the fact that, aside from the addition of this large sum to our treasury, it is particularly gratifying to them that it comes from those who, though not of our faith, are in such marked sympathy with the mission of our Institution—to care for the sick poor in our community, and who were prompted to make this generous provision from a due appreciation of its non-sectarian character.

Kindly convey these sentiments to your and our "Friends," and tell them that we recognize in their gift an act of liberal, broad-minded charity—an earnest of that good will which should exist among all—irrespective of and untrammeled by divisions of faith or creed.

PERPETUAL BEDS.

Perpetual beds were dedicated during the past year in memory of:

Abraham Wolff and Lydia Wolff, his wife, by provision in the will of Abraham Wolff.

Moritz and Ernestina Cohn by their children.

Moses Bruhl by Mrs. Henrietta Bruhl, his wife, and his daughters, Misses Milly and Cora Bruhl.

Marx and Sophia Hornthal by their children.

Henrietta Rubens by her husband, Mr. Charles Rubens, of Paris.

Lazarus and Babette Morganthau by their son, Mr. Henry Morganthau.

Bernhard and Henrietta Heineman by their son, Mr. Moses Heineman.

Emanuel Lauer by their daughters, Mrs. Carrie L. Lehman and Mrs. Sophia L. Goodhart.

Josiah L. Webster by his son, Mr. Chardes B. Webster.

Joseph Kaufman by provision in his will.

Edward B. Simon by his wife, Mrs. Kate S. Simon.

Bernhard Baruch, of Schwersenz, Germany, by his grandson, Mr. Bernhard M. Baruch.

By Mr. Louis Stix to the humane cause of our Institution.

Also two beds by the District Grand Lodge, No. 1, Independent Order Free Sons of Israel.

Everlasting monuments are thus created by these thoughtful dedications, which represent a blending of noble sentiment with true practical charity.

DEATHS.

The rejoicing of our hearts over the progress and achievement of our Institution is clouded with the sad feeling engendered by the realization that many who were with us a year ago, sharing in the responsibilities of our great cause, have departed from the scene of their activities to eternal rest. We gratefully acknowledge their co-operation for the support of our Hospital; we tender our profound sympathy to those who mourn their death, and we record their names with a deep sense of our great loss.

Dr. Thomas M. Markoe, who died last September, was connected with our Hospital since 1855, from which time until 1859 he held the position of Attending and since then that of Consulting Surgeon. During his active service in the early career of our Institution he did much to advance its interests and prestige.

Joshua Piza, a member of our Board from 1890 to 1893, died in November last year. During the time he was connected with our Institution, he endeared himself to his colleagues by his unostentatious bearing and sympathetic participation in the labors of the administration. Suitable resolutions were tendered to his family, conveying our sincere sympathy and expressing our profound feelings of regret at his untimely death.

Joseph L. Scherer, who died last March, was the Assistant Secretary of our Board for twenty-six years. A faithful, earnest worker, he combined thorough fitness for his position with a conscientious interest in the welfare of our Institution. His meritorious service was constantly commended by the members of our Board, who greatly deplore his loss.

SALE OF HOSPITAL PROPERTY ON LEXINGTON AVENUE.

The Hospital property on Lexington Avenue between 66th and 67th Streets, including that on the northerly side of 67th Street with the Training School Buildings, has been sold for $425,000 with satisfactory conditions as to payments and details for transfer when the New Hospital Buildings are completed.

THE LADIES' AUXILIARY SOCIETY.

To this society of benevolent ladies, who have during the past year maintained their previous high record of charitable work, it is our duty and our pleasure to render thanks. It is indeed difficult to fully express the feeling of appreciation that has been awakened in us, as well as in the hearts of our patients, who have been so directly benefited by the material comforts, such as bedding, linen and clothing, which the Society has furnished, and no less by those spiritual comforts—the kindly sympathy and cheer—that these ladies have, by their visits, brought to the sick and suffering in our wards.

To the officers of this Society, Mrs. M. H. Moses, President; Mrs. J. A. Cook, Vice-President; Mrs. Louis Lavenburg, Second Vice-President; Mrs. Julius Beer, Treasurer, and Mrs. J. R. Seligman, Secretary, and also to every one of its members, we record a debt of the deepest gratitude and offer our thanks in the name of our patients and of our entire Institution.

SISTER INSTITUTIONS.

Our Sister Institutions have again made a record during the past year of which all may justly be proud. The unprotected young have been reared and educated; the old and infirm have been sheltered and cared for, and suffering and distress of every kind have been alleviated.

The educational branches of our philanthropic organizations have been equally active and successful, enabling their beneficiaries to provide, in a large measure, for themselves, and so become self-supporting.

Thus, all performing their part, each co-operating with the other, a chain of charities has been formed which rivals any in existence, providing, as it does, succor for the unfortunate of all classes in their hour of need.

The Montefiore Home, in its great strength and vigor, has branched out from the parent tree in establishing a Home for Consumptives at Bedford Station, which was auspiciously dedicated last May. The increase of consumption, especially in the congested districts of our city, has rendered the establishment of such institutions most necessary. The Directors of the Montefiore Home are to be commended for their quick recognition of this want and for the generous provision which they have made

for a class of sufferers for whom our tenderest feelings are aroused.

HOSPITAL SATURDAY AND SUNDAY ASSOCIATION.

Our portion of the undesignated collections last year, upon the basis of division as to the days of gratuitous support and number of free patients treated, was $4,891.72. This proof of the fact that we continue to hold our place prominently among the hospitals which care for the largest number of free patients, gives us especial satisfaction. We urge our friends to take a wider interest in the excellent work of the Association. The general collections for the benefit of the hospitals are taken up each year in the month of December and afford to every one ample opportunity to contribute to the support of these worthy institutions whose good work is still often retarded by lack of funds. It is our earnest wish, and it lies within the power of every man and woman to fulfil it in part, that the deserving efforts of the Hospital Association may, year by year, be crowned with more signal success.

TRAINED NURSES.

The Mount Sinai Training School for Nurses has continued to supply our Hospital with its nurses and has fulfilled this function to our entire satisfaction. This School, as the *alma mater* of the army of trained nurses which is constantly doing active service in the combat with disease in private families, has a particularly direct claim upon the attention of that class of the public whose station in life enables them to maintain and encourage philanthropic institutions.

CONSULTING AND ATTENDING STAFF.

Our Consulting Staff is composed of Drs. A. Jacobi, E. G. Janeway, Daniel Stimson and William F. Fluhrer. The Attending Surgeons are Drs. A. G. Gerster and Howard Lilienthal; on the Medical Division: Drs. Julius Rudisch, Alfred Meyer, Morris Manges and Nathan E. Brill. Dr. Henry Koplik has charge of the Children's Ward, Dr. Paul F. Munde of the Gynæcological Department, Dr. Emil Gruening of the Ophthalmic and Aural Service, Dr. S. Lustgarten of the Dermatological and Dr. B. Sachs of the Neurological Department. To all these gentlemen we

express our sincere acknowledgment of the valuable services which they have rendered to our Institution and to our community.

ADJUNCT ATTENDING STAFF.

We record the faithful and efficient work of the members of our Adjunct Attending Staff, who have unstintedly devoted time and skill to the welfare of our patients.

Dr. Hiram N. Vineberg was appointed last January as Adjunct Attending in the Gynæcological Service.

DISPENSARY STAFF.

We extend our thanks to the Medical Staff of the Dispensary for the faithful discharge of their responsible duties.

DISTRICT SERVICE.

Drs. R. Abrahams, M. Katzenberg, H. Vogel, F. L. Wachenheim, Chas. Goodman and Harry Rodman—the Medical Staffs of these Departments—have readily responded to every call for the care of the patients placed in their charge.

HOUSE STAFF.

The members of our House Staff have performed their duties to the satisfaction of the Lay and Medical Boards of the Hospital. Drs. M. Thorner and I. W. Becker, having served their full term, retired from the staff on the 1st of July, and Drs. Truman Abbe and Herman B. Schwarz retired on the 1st of January. Upon the recommendation of the Medical Board, concurred in by us, the usual diplomas and souvenirs were awarded to them.

ADMINISTRATIVE DEPARTMENTS.

Dr. Max Rosenberg, Examining Physician; Dr. F. Mandlebaum, Pathologist; Dr. E. Libman, Assistant Pathologist, and Mr. J. Skudin, our Apothecary, deserve our high commendation for their untiring efforts and unfailing attention to the important duties and responsibilities devolving upon them in their respective offices.

To Mr. S. L. Fatman, Superintendent; Mr. Gustave Abrams, Assistant Superintendent, and Mrs. Camilla Minzesheimer, Matron, we express our recognition of their services in behalf of our patients and for their good supervision of the departments in their charge.

LEGISLATION.

The Board of Directors, having complied with the provisions in Article X of the Constitution, unanimously recommends for your adoption the following amendments in Article IV of the Constitution on "Endowed Beds and Endowments."

"A contribution of $1,500 to the general fund of the Hospital, if accepted by the Board of Directors, shall endow a Life Bed. Such a contribution shall entitle the donor thereof, during his or her lifetime, to name a patient, from time to time, to use and occupy one bed in the general wards of the main Hospital free of charge.

"A contribution of $2,500 to the general fund of the Hospital, if accepted by the Board of Directors, shall endow a Memorial Bed. Such a contribution shall entitle the donor thereof, during his or her lifetime, to name a patient, from time to time, to use and occupy one bed in the main Hospital, free of charge. Such donor may bequeath that right to a successor appointed by the said donor in his or her last will and testament or by any other instrument under seal, but no such right shall continue beyond a period of twenty-five years after the date of such contribution.

"A contribution of $5,000 to the general fund of the Hospital, if accepted by the Board of Directors, shall endow a Perpetual Bed, but where under the provisions of any will executed prior to January 1st, 1902, the sum of $2,500 or more is bequeathed to the Hospital in payment of any Perpetual Bed, the Board of Directors may, at their option, accept such sum in payment of such Perpetual Bed. Such contribution shall entitle the donor thereof, during his or her lifetime, to name a patient, from time to time, to use and occupy one bed in the general wards of the main Hospital free of charge. Such donor may bequeath that right to a successor appointed by said donor in his or her last will and testament, or by any other instrument under seal.

"When a corporation is the donor, the privilege shall expire at the end of twenty-five years from the date of such contribution.

"Tablets to commemorate the endowment of Life, Memorial and Perpetual Beds shall be placed in the Ward selected by the donor subject to the rules of the Hospital.

"A donor may change a Life Bed endowed by him or her to a Memorial Bed by making an additional contribution of $1,500, or to a Perpetual Bed by making an additional contribution of $3,500, or may change a Memorial Bed endowed by him or her to a Perpetual Bed by making an additional contribution of $2,500.

"No patient shall occupy a Life, Memorial or Perpetual Bed unless he shall comply with the current rules of the Hospital, and be a proper subject for treatment according to its regulations.

"An endowment for the establishment of any special fund may be accepted by resolution of the Board of Directors. Such endowment shall be kept by the Treasurer as a special account, to which, however, other moneys donated for the same purpose may be added from time to time."

In all of the large hospitals in this city the prices for Life Beds range from $1,500 to $2,000, and for Beds in Perpetuity from $4,000 to $6,000. At present, in our Hospital, the cost of a Life Bed is $1,000, and in Perpetuity $2,500. It is no doubt contemplated by those who legislate for hospitals and intended by benefactors who dedicate Beds in Perpetuity, that the contribution for these endowments should be sufficient to support a patient for each bed from the income derived therefrom. Our per capita cost this year was $1.54 per diem, equal to $560 per annum, for the maintenance of a single patient. This clearly shows that the income derived from the present amount paid for a Bed in Perpetuity gives us only an extremely small percentage of the cost of support, in fact the income from the increased price of $5,000 for Perpetual Beds, on a 4½ per cent. basis, will yield the Institution considerably less than one-half of the actual cost of maintenance. These considerations have moved your Board to submit the proposed alterations in our Constitution for your adoption.

In the meeting of the Board of Directors held January 12th, 1902, the following alterations in Articles VI and IX of the Constitution were unanimously adopted. Notice to the members having been given in accordance with the provision in Article X of the Constitution, these amendments will be submitted to you to-day for ratification and adoption.

That Paragraph 1 of Article VI of the Constitution be changed so as to read as follows:

"The affairs of the Society shall be under the direction and management of a Board of Directors of twenty-nine members, to be chosen as hereinafter provided."

That Paragraph 3 of Article VI of the Constitution be changed so as to read as follows:

"The officers of the Society shall be a President, a Vice-President, a Second Vice-President, a Treasurer and a Secretary."

That Paragraph 3 of Article IX of said Constitution be changed so as to read as follows:

"At each annual meeting of the Society there shall be chosen from its members, by ballot and by plurality vote, a President, a Vice-President, a Second Vice-President, a Treasurer and a Secretary to serve for the term of one year, and six Directors to serve for the term of four years, and such additional Directors as may be necessary to fill existing vacancies in the Board."

That Paragraph 4 of Article IX of the Constitution be changed so as to read as follows:

"The newly elected Officers and Directors together with the eighteen Directors, whose term of office shall not have expired, shall constitute a Board of twenty-nine Directors for the ensuing year, and said Officers shall continue in office until their successors shall have been appointed or elected."

In the same meeting the Board of Directors unanimously passed the following resolutions, which are recommended to you for adoption:

"That the four additional directorships to be created shall not be filled by the members until the annual meeting in January, 1903, and that the Board of Directors may fill the additional positions for the intervening period of time as vacancies. Further that the Officers and Directors be authorized and directed to file such papers and documents, and take such steps as, in their opinion, may be necessary and proper to carry out the changes made in the Constitution."

These alterations are deemed necessary for the government of our Institution, with regard for the increased duties and responsibilities devolving upon our Board in the management of the New Hospital.

RESIGNATIONS FROM OUR BOARD.

Our colleagues Isaac Blumenthal and Louis Stix, in office since 1875, and Adolph Herrman, who was elected in 1887, tendered their resignations, which due regard for their expressed wishes compelled us to accept.

During the many years of their connection with our Board we have had constant proofs of their marked interest in our cause, one in which their hearts always were and still are deeply engaged. They have shared with us the cares and responsibilities of administration and, by their efforts, they have largely aided in placing Mount Sinai Hospital in the foremost ranks of kindred institutions.

In tendering to these gentlemen the grateful acknowledgments of our Board, we feel justified also in offering to them the thanks of our constituents for devoted and unswerving loyalty to the trust which has been placed in their hands.

In retiring from active participation in the management of our Institution, they take with them the affection and esteem of their colleagues who wish them many years of good health and

undisturbed happiness as the well-deserved reward of a life of unselfish service for the good of others.

In accordance with a recent provision in our By-laws, they were unanimously elected Honorary Directors of our Board, thus permitting us to enjoy further official association with them and retaining for our Institution the benefit of their wise counsel and valuable experience.

APPOINTMENTS ON OUR BOARD.

Mr. Murray Guggenheim was appointed to fill the vacancy caused by the resignation of our Director, Mr. Adolph Herrman, Mr. Jefferson Seligman to fill the place made vacant by the resignation of Mr. Isaac Blumenthal, and Mr. Henry Morganthau to fill the vacancy caused by the resignation of Mr. Louis Stix.

ACKNOWLEDGMENTS.

To Messrs. Hoadly, Lauterbach & Johnson it is eminently proper that we should, first of all, give recognition of an obligation which increases from year to year and leaves us less able, from time to time, to make proper acknowledgment of the great debt which our Institution owes to them. For many years they have gratuitously attended to all legal matters connected with our Institution, and have given us freely of their time and skill. During the past eventful year in the history of our Hospital, our claims upon their services have been even greater than in any preceding one, to all of which there has been a most generous and ready response on the part of these gentlemen. We cannot sufficiently thank these loyal champions of our Institution, who have so largely contributed toward its welfare.

We are also under obligations to the Hon. John W. Keller, President of the Department of Public Charities, and to Mr. George Blair, Superintendent of the Outdoor Poor Department, for courtesies extended to Mount Sinai Hospital.

The Reverend Doctor Raphael Benjamin, as the representative of the Board of Jewish Ministers, has made regular weekly visits to our wards during the past year. By his sympathetic ministration he has brought solace and encouragement to many a weary soul. We are beholden to the members of this Board for the inspiring influence which they have thus exerted upon our patients.

To all the benefactors of our Institution, who have so generously contributed to its support, to those who, by their sympathetic participation, have brought hope and cheer to the sufferers in our charge, we express the gratitude felt by our patients for good deeds performed and thoughtful provision made for them in their hour of tribulation.

The springs, in their remote recesses, course down from their fountain head, through valleys and fields, widening and broadening in their path until they form the mighty river. So do the springs of the human heart traverse through man's domain. Their pure moral forces attract and carry with them the sympathetic impulses of other hearts which swell in volume and thus increase the power for good.

The high ideals existing at the very beginning of our Institution, have brought many in touch with its beneficence; they have broadened our ideas and have tended to better our lives. This pure stream has refreshed many who have drank from its invigorating waters, and has given happiness to those who have contributed to its development. So may it course on through ages of time—a confluence of the past and the future—uniting the sentiment of hearts that are stilled with those that beat, for the perpetuation of man's best promptings in life, for the performance of duties which enrich and ennoble those who share in this God-like work.

MINUTES

OF THE

ANNUAL MEETING OF THE MEMBERS

....OF....

THE MOUNT SINAI HOSPITAL OF THE CITY OF NEW YORK,

Held January 25th, 1903.

The President, Mr. Isaac Wallach, in the Chair, the full Board and a quorum present.

The reading of the minutes of the last annual meeting was dispensed with.

The report of the President and Board of Directors was read by the President, and upon motion, duly seconded, was ordered to be printed and mailed to the members of the Hospital. The reading of the Treasurer's Report was, upon motion, dispensed with, and it was ordered to be printed with the Report of the President.

The following proposed alterations on, and additions to, Article IV of the Constitution, on "Endowed Beds and Endowments," recommended by the Board of Directors, and notice of which had been given to the members, in accordance with Article X of the Constitution, were submitted for adoption.

Strike out in paragraph referring to Memorial Beds the words: "But no such right shall continue beyond a period of twenty-five years after the date of such contribution" and substitute in place thereof "In the event of such successor being appointed, the rights hereinbefore mentioned shall continue for a period of fifty years from the date of such contribution," such period, however, not to end before ten years from the death of the donor, so that the entire paragraph will read as follows:

"A contribution of $2,500 to the general fund of the Hospital, if accepted by the Board of Directors, shall endow a Memorial Bed. Such a contribution shall entitle the donor thereof, during his or her lifetime, to name a patient from time to time to use and occupy one bed in the main hospital free of charge. Such donor may bequeath that

right to a successor appointed by the said donor in his or her last will and testament, or by any other instrument under seal. In the event of such successor being appointed, the rights hereinbefore mentioned shall continue for a period of fifty years from the date of such contribution—such period, however, not to end before ten years from the death of the donor."

Strike out the present paragraph referring to Tablets for Endowed Beds and substitute the following: "Tablets to commemorate the Endowment of Life, Memorial and Perpetual Beds shall be placed in the ward selected by the donor, subject to the rules of the Hospital. Tablets for Life Beds shall be maintained during the life of the donor. Tablets for Memorial Beds for a period not beyond fifty years from the date of their endowment—such period, however, not to end before ten years from the death of the donor. Tablets for Perpetual Beds shall be maintained in perpetuity."

Upon motion, duly seconded, the said amendments were unanimously adopted:

On behalf of the Board of Directors, the Vice-President, Mr. Isaac Stern, then addressed the meeting, commenting upon and eulogizing the great services rendered to the Hospital by its President, Mr. Isaac Wallach, and in appreciation of the long years of untiring devotion which he had given to the cause of charity in the service of The Mount Sinai Hospital, and as an enduring memorial of the high esteem in which he was held by the Board, made a formal presentation of an oil portrait of President Wallach to the members of the Hospital. The portrait was thereupon unveiled, amidst hearty applause.

Mr. Edward Lauterbach, responding for the members of the Hospital, gratefully accepted the gift, and in a glowingly eulogistic speech accorded President Wallach an unstinted measure of praise.

Mr. Jacob H. Schiff, in a few well-chosen words, heartily endorsed the remarks of Mr. Lauterbach.

Mr. Wallach then made acknowledgment of the honor conferred on him, and thanked the previous speakers for what he deemed their undue recognition of his efforts.

Mr. Marcus M. Marks moved that a vote of thanks be given to the Board of Directors for their faithful performance of duty during the past year. This motion was duly seconded and unanimously carried.

Mr. Jonas Weil made an address, in which he dwelt on the inestimable services rendered to the Hospital by President Wallach. The meeting then adjourned, for the purpose of proceeding with the election of Officers and Directors.

LEO ARNSTEIN,
Secretary.

THE MOUNT SINAI HOSPITAL,

REPORT OF THE PRESIDENT AND BOARD OF DIRECTORS.

New York, January 25th, 1903.

To the Members of the Mount Sinai Hospital:

Like the dew from Heaven, gently falls the mercy of man upon his unfortunate fellow-being who, but for the benign influence of compassionate hearts, would be doomed to misery and despair.

In no field are richer fruits developed than in that which provides for the relief of human suffering. Manifold are the blessings and far-reaching are the benefits resulting from this charity established and maintained by you. It is a boon to those who come within the radius of its ministrations, and a blessing to many in our community who, when otherwise unable to provide medical care for their dear ones, are thus enabled to give them the aid of skilled physicians and modern scientific methods for their restoration.

On this occasion, when the statistics for the year are presented, we, to whom you have intrusted the administration of this great mission, make public commendation of your generosity and extend to you the thanks of our Board for your unfailing support and constant co-operation. The great good achieved will afford recompense and satisfaction to all who have in any manner contributed to the upholding of a cause which stands for the noblest virtues of our modern civilization.

Prepared in other pharmacies down-town, and paid for by the Hospital	687

The practical work of our Institution for the past fiscal year may be thus summarized:

Patients treated in the Hospital	3,242
Patients treated in the Dispensary	30,616
Patients treated in the Outdoor Department	247
Accident cases	774
A total of	34,879

—to whom the benefits of our Institution were extended, without regard to race or creed.

This evidences the well-recognized fact that Mount Sinai Hospital continues—in that broad non-sectarian spirit which has characterized its management in the past—to spread the light of its merciful mission—a mission which gives happiness to those who receive as well as those who dispense its great blessings.

NEW HOSPITAL BUILDINGS.

Due to unavoidable delays, the new Hospital Buildings will not be completed at the time originally contemplated; they will be ready for occupancy in the near future. The elevation, plan and scope of the entire group of buildings are sufficiently advanced to indicate the full proportion of this great undertaking, which will supply the long-felt want for increased accommodations, as well as for Hospital facilities, in keeping with modern requirements. Evolution and development have made no greater progress in any direction than in Hospital methods, appliances and treatment. These rapid changes are instanced by the fact that the old Hospital, built less than thirty years ago, is now utterly unsuited to the scientific requirements of the present time. The New Hospital will present features of the greatest importance to which detailed reference will be made on a future occasion.

SUBSCRIPTIONS TO THE BUILDING FUND.

The entire subscriptions to the Building Fund to December 1st, 1902, were..... $1,366,068.76

—of which the sum of $71,687.00 (which includes the second payment of $40,000 from the Joel Goldenberg Estate) was added since last year's report.

To cover the cost of construction and equipment of the entire group of the New Hospital Buildings, it will be necessary for us to obtain, by subscription or endowment, the additional sum of Two Hundred and Fifty Thousand Dollars.

The mistaken idea prevails with many in our community that The Mount Sinai Hospital is amply provided for. True, we are rich in possessing the good will of many friends, who have generously provided nearly all the funds required for our new buildings. In all else, we are poor. For the erection of the New Hospital, we have almost depleted our Permanent Fund—the accumulated savings of fifty years—which should have been kept intact to produce income for support.

A charity as old as ours, depending upon uncertain and variable receipts, should have a large investment fund producing assured income to provide for contingencies and emergencies, which often occur in the life of institutions of its kind. At present our investments represent a much smaller amount than those of many younger institutions.

Our New Hospital, when in full operation, providing for 450 patients, will require no less than $225,000 per annum for support. Against this, we have membership receipts of about $70,000, from private patients $30,000, from interest $10,000, from the City $30,000—in all $140,000. Even these resources are variable and, to a degree, unreliable. We are, therefore, confronted with the problem of building up our income to meet the larger requirements for the maintenance of our Institution. In face of these facts, no one will gainsay our just claims for larger and more

general support, especially in the direction of annual membership. Your directors invite your advice and invoke your aid to place our Institution upon a more secure financial basis.

ENDOWMENTS.

JOEL GOLDENBERG WARD.

Joel Goldenberg, who died on the 19th of April, 1901, made the following provision in his will:

"I give, grant, devise and bequeath all the rest, residue and remainder of my entire residuary estate, real and personal, of every name, nature and description and wheresoever situated, of which I may die possessed of either in fee, reversion or remainder, unto The Mount Sinai Hospital, a corporation created in the year 1852, under the laws of the State of New York, for the purpose of creating and maintaining a perpetual ward or section in said Hospital, to be known as the Joel Goldenberg Ward. The character of such ward or the class or kind of cases, ailments and diseases for which said ward is to be set apart, shall be determined at the establishment thereof by my nephew, Dr. Herman Goldenberg."

Acting under the instructions contained in the will, Dr. Herrman Goldenberg has elected to establish a Genito-Urinary Service in the Joel Goldenberg Ward, and by agreement with the executors a ward of 15 beds has been set apart and accepted by them in the New Hospital for that purpose.

We have already received from this source the sum of ninety thousand dollars, and are assured that the entire bequest will aggregate to the amount of one hundred and fifty thousand dollars.

ISAAC BLUMENTHAL WARD.

Alfred, Gustav, Hugo, Benjamin and George Blumenthal, the sons, brother and nephew of our deceased Director Isaac Blumenthal, have generously donated the sum of fifty thousand dollars for a perpetual endowment in his memory. The surgical ward of ten beds on the fourth floor in the New Hospital has been set apart for this memorial.

GUGGENHEIM MEMORIAL.

The Private Hospital dedicated in perpetuity to the memory of Barbara Guggenheim, by her husband, Mr. Meyer Guggenheim, and her sons, Messrs. Isaac, Daniel, Murray, Solomon, Benjamin,

Simon and William Guggenheim (from whom we received the sum of $200,000), will provide accommodations yielding increased income from pay patients, for the general support of the Hospital.

MAYER LEHMAN MEMORIAL.

The family of the late Mayer Lehman has added the sum of $18,315 to their former donation of $75,000 to cover the cost of the Dispensary Building, which has been erected as a memorial to his name.

EINSTEIN MEMORIAL.

Mr. Henry L. Einstein, who furnished the means for the erection of the Children's Pavilion, which is dedicated to the memory of his son, Lewis Einstein, has voluntarily offered to defray the cost of the equipment and furnishing of this entire department.

LEWISOHN ENDOWMENT.

Our colleague, Mr. Adolph Lewisohn, who donated the sum required for the erection of the Pathological Building and has assumed the annual expense of its maintenance, has placed our community under further obligations by his generosity in having the entire Pathological Service equipped at his own cost.

SPECIAL GIFTS.

Mr. Nathan Strauss has generously offered to furnish a complete plant for the sterilization of milk, which offer has been accepted with the thanks of our Board.

Mr. Murray Guggenheim has donated the sum of $20,000 for the establishment of a fund, the income of which is to be used for the maintenance of an Ambulance Service.

Mr. Henry R. Ickelheimer has presented an Electric Ambulance to the Hospital.

Mr. Jefferson Seligman has offered, at his own cost completely to maintain the Ambulance Service at the old Hospital, until it is regularly installed in the new buildings.

It is intended for the present to use the Ambulance for Hospital, private and emergency service, and when two or more are installed to enlarge the scope of our usefulness in this department.

Examples like these need no encomiums. They speak for themselves in unmistakable language, and in their simple narration they evidence the noble tendencies of large-hearted men in our community who give munificently for philanthropic purposes.

MEMBERSHIP.

Our records show an enrollment at the present time of:

Donors	192
Patrons	891
Members	3,705
Juniors	14

in all 4,802 regular contributors.

The following additions were made during the current year:

1 Donor,
37 Patrons,
434 Members,
16 Patrons were changed to Donors, and
37 Members were changed to Patrons.

Deducting the loss of Members by deaths, resignations and other causes, the actual increase in our membership roll is 230 over last year. This result has been achieved mainly by the Directors on our Membership Committee. It has involved the sacrifice of much of their time, and their efforts should be supplemented by the co-operation of those public-spirited men in our community who are ever ready to give a helping hand for the good of our eleemosynary institutions.

The philosophy of life teaches us our obligations to those who form part of our surroundings, as well as our true relations to the era in which we live. This may be summed up in one word, "duty." We owe duties not only to ourselves and to those who have direct claims upon us, but also to the community in which we live. It is an unquestionable duty to aid all worthy charitable causes in such measure as our circumstances will permit. The conscientious man, recognizing all of these claims, will so shape his course that none of them will be neglected or disregarded. It is, nevertheless, a lamentable fact that many in our community able to do so do not share in the burdens placed upon others in providing for our Hospitals, Asylums, Homes and other worthy institutions. Considering the large Jewish popu-

lation in this city, our main institutions should have not less than 10,000 members on their rolls; yet, the oldest of these charities have not more than half that number. Our New Hospital, with double the capacity of the present one, in order to insure its support, imperatively demands more general co-operation in this direction. We propose to constitute all the Members of The Mount Sinai Hospital a General Committee to secure additional annual contributors. With our next Report, we shall issue two blanks to be filled by each one of you with the names of friends in your immediate circle. Then let no one consider his duty done, his obligations to his surroundings performed, or his relations with the period in which he lives observed, until he has, within this year, proposed at least one member for The Mount Sinai Hospital.

LEGACIES AND BEQUESTS.

The following Legacies and Bequests, received during the past year, will be recorded in perpetuity:

MOUNT SINAI HOSPITAL ALLIANCE.

We received the sum of $906.06 from this association, and render our thanks for the marked interest shown in our Institution. The public-spirited young ladies and gentlemen composing the Alliance will, in accordance with their desire, be afforded opportunities for greater usefulness when we occupy the New Hospital Buildings. It is our aim to encourage their worthy endeavor to co-operate in our humane work, realizing, as we do, that the philanthropic tendencies which they have evidenced deserve recognition and careful fostering.

PERPETUAL BEDS.

Perpetual beds were dedicated during the past year to the memory of:

Robert Graham Dun, by provision in his will.
Jacob S. Bernheimer, by his wife and children.
Bettie Loeb, by her husband, Mr. Solomon Loeb.

Theodore G. Weil, by provision in his will.
By Mr. David E. Sicher, in memory of Fannie Myers.
By Mr. Jacob Rubino, two beds for the benefit of our patients.
By the Hebrew Mutual Benefit Society, to commemorate its Seventy-fifth Anniversary.

MEMORIAL BED.

Dedicated by Mrs. Margaret J. Plant, in memory of Emanuel de Castro.

LIFE BEDS.

By Mr. Max Nathan, to be known as the "Elsie Arnstein Bed."
By Mr. M. J. Breitenbach, for the benefit of our Hospital.

Affectionate tributes to the departed—benevolent provision for the living, these dedications create memorials which will never cease to be remembered.

DEATHS.

The immutable limitation of human existence has again brought to a close the lives of many friends who were closely identified with our Institution, and with other philanthropic causes in our community.

To those who were bound to them by ties of kinship, we tender our profound sympathy. We also make record of their names with feelings of respect for the departed and a sense of the great loss which we have sustained.

Louis Stix and Isaac Blumenthal became members of our Board in 1876, and passed away from the scene of their activities last summer—almost at the same time.

In 1901, after a faithful and uninterrupted service of over twenty-five years, from a desire to be relieved from the burdens and responsibilities of administration, they tendered their resignations, which due regard for their expressed wishes compelled us to accept. They were thereupon elected Honorary Directors, which positions they held at the time of their demise.

Associated with them, as we were, for over a quarter of a century, we had ample opportunity to admire their sterling qualities and loyal devotion to our cause. Sympathetic, generous and unpretentious—noble in mind and in act, they presented ideals of manhood which commanded the respect of all with whom they came in contact.

The two patriarchs of our Board, the oaks which we venerated for age and strength, have fallen, and we, their comrades who see their vacant places and miss their companionship, deeply mourn our loss.

By resolution of our Board, the flag of the Hospital was lowered to half-mast until after the funerals; their obsequies were attended by our Directors, and expressions of our high regard for the departed were spread upon our minutes, published and engrossed copies transmitted to their respective families. "Surely the memory of the righteous shall not perish."

Hyman Blum, President of our Hospital from 1879 to 1896, died on the 24th of May last. His zeal and untiring devotion

to the interests of our Institution have ever inspired us with gratitude for his eminent services. The recollection of his loyalty will remain with us as a marked example of duties well performed, and will stimulate us to maintain the high standard of our Hospital, which he aided in establishing.

As a mark of respect, suitable resolutions were adopted by our Board, which were entered on our records and published in the leading journals. An engrossed copy was sent to his family.

Leonard Lewisohn, a former Director of our Institution, died in March last. Endowed with noble attributes, unassuming, benevolently inclined, his generous heart prompted him to interest himself in all our communal work—to help wherever help was needed for the uplifting of the unfortunate and for the relief of the distressed. May his life's work be ever remembered as a type of true nobility. Sentiments, expressive of our keen appreciation of the great loss sustained by the community, were conveyed to his family and made public in the secular and Jewish press of our city.

The sad tidings of the death of our honored ex-Director, Henry Rosenwald, were conveyed to our Board at a special meeting held March 16th, 1902. Henry Rosenwald was connected with the management of our Hospital from 1879 to 1885, during which time and thereafter he was a faithful friend and supporter of our Institution, in the welfare and activities of which he had always taken a deep interest. His whole-souled personality and unselfish tendencies were marks of character which stood forth pre-eminently and made him beloved by all who enjoyed his companionship. It was resolved in that meeting to attend the funeral in a body, to make a minute of the resolutions adopted, to publish them and to send a copy to the family of the deceased with expressions of our sympathy and condolence.

Dr. Paul F. Munde, long and closely identified with our Institution, died on the 9th of March last. He was in charge of the Gynæcological Department in our Dispensary from 1875 to 1882, and since then, up to the time of his demise, of the Gynæcological Service of the Hospital. His skill and national reputation as a prominent member of his profession, brought prestige to our Institution. His genial nature and strength of character won for him many friends among his colleagues, and the conscientious performance of his duties engendered for him de-

served respect and esteem from our Board. His obsequies were largely attended by members of the medical and lay boards of our Hospital, and fitting resolutions were published and sent by us to his family.

THE LADIES' AUXILIARY SOCIETY.

During the past year, we have again received practical aid and co-operation—and our patients care and comfort—from the ladies forming this association. With lofty aims, sympathetic hearts and unceasing efforts for the welfare of the poor sick in our charge, they have maintained the proud record of their past achievements, which it gives us much pleasure to recognize.

To the officers of this society, Mrs. M. H. Moses, President; Mrs. J. A. Cook, Vice-President; Mrs. Louis Lavenberg, Second Vice-President; Mrs. Julius Beer, Treasurer, and Mrs. J. R. Seligman, Secretary, and to each and every one of its members, we express our feelings of gratitude for their zeal and devotion.

SISTER INSTITUTIONS.

Our sister institutions vie with each other in the promotion of their work and in the faithful performance of the obligations assumed by each of them. It is a source of gratification to know that new strength is being constantly added for the maintenance and administration of all our philanthropic causes. No other city in the world presents such an array of well-managed institutions as ours—including, as it does, in its chain of charities, magnificent Asylums for the orphan, Hospitals for acute and chronic diseases, Homes for the aged, Educational and Technical Institutions, Sisterhoods and Organizations of every kind for the care of the deserving in our community. Thousands of noble men and women, aside from giving financial aid, devote time and effort to the elevation of mankind, and to the alleviation of human suffering, charging themselves with self-imposed duties, the performance of which brings honor to us all as Jews and citizens of this great Metropolis.

We have had occasion during the past year to avail ourselves of the facilities afforded and courtesies extended by the Montefiore Home, the Home for Aged and Infirm Hebrews, and the Isabella Heimath, for the care of those of our patients who, from

their condition, came within the scope of these beneficent charities. The co-operation of these Institutions deserves mention and due acknowledgment.

The reciprocal relations between our Charitable Institutions are further evidenced by the readiness shown by us in receiving patients recommended for admission by the Hebrew Orphan Asylum and Benevolent Society, United Hebrew Charities, Hebrew Sheltering and Guardian Society, Institution for Improved Instruction of Deaf Mutes, B'nai B'rith Home, Yonkers, Emanu-El Sisterhood and The Nurses' Settlement.

HOSPITAL SATURDAY AND SUNDAY ASSOCIATION.

Based upon the free work done by our Hospital, we received $5,351.55 in 1902 from the Hospital Saturday and Sunday Association as our proportionate share of the undesignated fund. Collections for 1903 were made in December, and indicate larger results than in previous years. From the very beginning of the Hospital Association, your Directors encouraged undesignated contributions, so that the funds might become subject to the equitable method of apportionment adopted by the Association. We continue to urge our friends to send their donations in that manner, as a just appreciation of the good work done by all the Hospitals represented in the Association.

TRAINED NURSES.

The Mount Sinai Training School continues to supply nurses for our Hospital. Its graduates are well recognized in our community for their efficiency and ability, yet withal, the school is not financially sustained as it should be. We cannot sufficiently emphasize the importance of its objects—to aid worthy women in earning a livelihood, and in preparing them for duties of the highest character. Trained nurses are valuable adjuncts to the physician, and afford relief to the patient and comfort to the family when those dear to them are stricken with disease.

Surely such an object appeals to every one, and more especially to the mothers. We earnestly hope that more general interest may hereafter be shown in such a worthy cause.

CONSULTING STAFF.

Drs. A. Jacobi and E. G. Janeway, Consulting Physicians, and Drs. Daniel Stimson and William F. Fluhrer, Consulting Surgeons, continue their warm interest in all that concerns the welfare of our Institution.

ATTENDING STAFF.

Our patients are attended by physicians of prominence and skill. In the Surgical Department by Drs. A. G. Gerster and Howard Lilienthal; in the Medical Division by Drs. Julius Rudisch, Alfred Meyer, Morris Manges and Nathan E. Brill. Dr. Henry Koplik has charge of the Children's Ward; Dr. Joseph Brettauer of the Gynæcological, Dr. Emil Gruening of the Ophthalmic and Aural Service, Dr. S. Lustgarten of the Dermatological, Dr. B. Sachs of the Neurological, and Dr. Herman Goldenberg of the Genito-Urinary Department. Their valuable services to our Institution evoke our grateful recognition.

ADJUNCT ATTENDING STAFF.

The members of this staff have readily responded to every call from the Attending Physicians and Surgeons. They have taken charge of their respective departments during the summer months and at other times when deemed necessary. We express our appreciation of their faithful service.

DISPENSARY STAFF.

Our Dispensary Staff is composed of twenty-six Chiefs of Division, aided by fifty-nine Assistants, who are in charge of eight Medical, four Surgical, four Children's, two Dermatological, two Gynæcological, two Ophthalmic, two Ear and Throat and two Neurological Departments. Their classes are largely attended, and their duties are performed in a manner which entitles every member of these staffs to our special thanks.

DISTRICT SERVICE.

This service at the homes of applicants for admission at times when the Hospital Wards were full and for whom temporary provision had to be made, was well cared for by Drs. R. Abrahams,

M. Katzenberg, H. Vogel, F. L. Wachenheim, Charles Goodman, Henry Rodman and Julius Tannenbaum. It gives us pleasure to make record of their efficient services.

HOUSE STAFF.

The members of the House Staff have discharged their duties to the satisfaction of the lay and medical Boards of the Hospital. Drs. Edwin Beer and Edward A. Aronson retired on the 1st of July, and Drs. M. G. Seelig and Milton Gershel on the 1st of January, after serving their full term of two years and a half. With our approval the usual diplomas and souvenirs were awarded them upon the recommendation of the Medical Board.

ADMINISTRATIVE DEPARTMENTS.

Dr. Max Rosenberg, Examining Physician; Dr. F. Mandlebaum, Pathologist; Drs. E. Libman and C. P. Bernstein, Assistant Pathologists, and Mr. J. Skudin, our Apothecary, have filled their respective positions with rare ability and marked faithfulness. They deserve our commendation.

To Mr. S. L. Fatman, Superintendent; Mr. Solon J. Rieser, Assistant Superintendent; Mr. Gustave Abrams, Assistant Secretary; Mrs. Camilla Minzesheimer, Matron, we render the thanks of our Board for their painstaking efforts in the management of their respective departments.

APPOINTMENTS ON OUR BOARD.

Mr. Louis M. Josephthal, Mr. James Speyer, Mr. Leo Arnstein, Mr. Jacob Emsheimer, Mr. Hugo Blumenthal and Mr. Charles A. Wimpfheimer were appointed by our Board to fill existing vacancies, Mr. Leo Arnstein as Secretary, in place of Mr. L. M. Josephthal, resigned.

APPOINTMENTS ON MEDICAL STAFFS.

Dr. Herman Goldenberg was appointed Attending Surgeon in the Genito-Urinary Department.

Dr. William Hirsch, Neurologist, and Dr. Samuel M. Brickner, Gynæcologist in the Dispensary Service.

Drs. M. L. Maduro and M. P. Denton were appointed Anæsthetists in the Hospital. Dr. Eugene Eising as Assistant Radiographist in the X-Ray Department.

LEGISLATION.

The Board of Directors having complied with the provisions in Article X. of the Constitution, unanimously recommends for your adoption the following amendments in Article IV. of the Constitution on Endowed Beds and Endowments. Strike out in paragraph referring to Memorial Beds the words: "But no such right shall continue beyond a period of twenty-five years after the date of such contribution," and substitute in place thereof: "In the event of such successor being appointed, the rights hereinbefore mentioned shall continue for a period of fifty years from the date of such contribution," such period, however, not to end before ten years from the death of the donor, so that the entire paragraph will read as follows:

"A contribution of $2,500.00 to the general fund of the Hospital, if accepted by the Board of Directors, shall endow a Memorial Bed. Such a contribution shall entitle the donor thereof, during his or her lifetime, to name a patient from time to time to use and occupy one bed in the main Hospital, free of charge. Such donor may bequeath that right to a successor appointed by the said donor in his or her last will and testament, or by any other instrument, under seal. In the event of such successor being appointed, the rights hereinbefore mentioned shall continue for a period of fifty years from the date of such contribution—such period, however, not to end before ten years from the death of the donor."

Strike out the present paragraph referring to Tablets for Endowed Beds and substitute the following:

"Tablets to commemorate the endowment of Life, Memorial, and Perpetual Beds shall be placed in the ward selected by the donor, subject to the rules of the Hospital. Tablets for Life Beds shall be maintained during the life of the donor. Tablets for Memorial Beds for a period not beyond fifty years from the date of the endowment—such period, however, not to end before ten years from the death of the donor. Tablets for Perpetual Beds shall be maintained in perpetuity.

ACKNOWLEDGMENTS.

Our Institution and the patients in our charge have again been the recipients of many acts of kindness and generosity. Aside from donations in money and in kind, to which we have

already referred, we are under great obligations to many good friends, whose personal aid and services have been most valuable in greatly lightening our task. Foremost among these is the firm of Hoadly, Lauterbach & Johnson, the members of which, as heretofore, have attended to all legal matters of the Hospital free of charge. To express our appreciation of their eminent services would be mere repetition of what we have said in previous reports. Though words may fail us in adequately conveying our obligation to these gentlemen, yet, in our hearts, we feel deeply that they have promoted the welfare of our Hospital to a degree which deserves our innermost thanks.

The Reverend Doctor Raphael Benjamin, representing the Board of Jewish Ministers, and the Reverend Doctor H. Pereira Mendes have frequently visited our patients during the past year, affording them cheer and comfort in many a weary hour. We acknowledge their thoughtful attention and ministration. The Pastors of the St. Vincent Ferrer, 66th Street and Lexington Avenue, have at all times readily responded to calls from our patients of the Catholic faith, and have otherwise, as good neighbors, shown us many acts of kindness, for which we are much beholden.

We thank the Hon. Edward G. Grout, Comptroller; the Hon. Homer Folks, President of the Department of Public Charities; Mr. George Blair, the past, and Mr. E. F. Merwin, the present Superintendent of the Outdoor Poor Department, for their invariable courtesy to our Institution.

Our patients were gratuitously supplied with copies of many daily, weekly and monthly journals and magazines published in this and other cities, a list of which appears under the head of "Donations in Kind." To the editors and publishers of these papers we extend our grateful acknowledgment.

To many more—to one and all who have in any manner aided and strengthened our cause, we say "God bless you!" May their acts of generosity afford them the satisfaction which springs from the knowledge of having done good unto others.

Standing upon the eminent position achieved by our Institution—as from a high mountain peak—we view the lower points from which we have ascended. Looking back into the far

distance, we see the paths made for us by the earnest men preceding us, who from a small, yet all-important beginning, with noble effort, personal sacrifice and constant devotion to our cause, made it possible for us to rise to the heights of our present position.

At this moment, when we behold the realization of our aims—the near completion of a structure which shall adequately provide for the housing and care of the sick and suffering, our hearts are filled with gratitude to the founders and promoters of this beneficent work, with fervent hopes for its continued advance onward and upward, and with thankfulness to God, whose blessings we invoke for the protection of this temple of humanity dedicated to His holy name.

MINUTES

OF THE

ANNUAL MEETING OF THE MEMBERS

...OF...

THE MOUNT SINAI HOSPITAL OF THE CITY OF NEW YORK,

Held January 24th, 1904.

The President, Mr. Isaac Wallach, in the Chair. The full Board and a quorum present.

The reading of the minutes of the last annual meeting and of the Treasurer's report was, upon motion, dispensed with.

The report of the President and Board of Directors was read by the President, and, upon motion, duly seconded and carried, said report was ordered to be printed and mailed to the members of the Hospital.

Mr. Jacob H. Schiff addressed the meeting and, after having commented upon the good work done by the Board of Directors during the past year, made a motion, upon the suggestion of Mr. Marcus M. Marks, that a vote of thanks be extended to the Directors of the Hospital for the faithful administration of their charge, which motion was unanimously carried.

Thereupon, Mr. Jonas Weil made an eulogistic address emphasizing more particularly the inestimable services rendered to the Institution by its President.

On behalf of the Board of Directors, President Wallach then thanked the several speakers for their kind words of commendation and expressed his appreciation of the hearty support rendered by all the members. He further referred to the fact that the next Annual Meeting would be held in the Institution's new home, where the increased facilities would enable the Hospital to widen its scope and more satisfactorily care for all who knocked at its doors for succor.

The meeting then adjourned for the purpose of proceeding with the election of Officers and Directors.

LEO ARNSTEIN, *Secretary.*

THE MOUNT SINAI HOSPITAL,
January 24th, 1904.

At an election, held this day, 86 ballots having been cast, the following Officers and Directors were unanimously elected:

FOR THE TERM OF ONE (1) YEAR FROM JANUARY 1ST, 1904.

Mr. Isaac Wallach, *as President.*

Mr. Isaac Stern, *as Vice-President.*

Mr. David Wile, *as Second Vice-President.*

Mr. E. Asiel, *as Treasurer.*

Mr. Leo Arnstein, *as Secretary.*

AS DIRECTORS FOR THE TERM OF FOUR (4) YEARS FROM JANUARY 1ST, 1904.

Mr. Max Nathan,
Mr. George Blumenthal,
Mr. Herman Mendel,
Mr. Meyer H. Lehman,
Mr. Kalman Haas,
Mr. Chas. A. Wimpfheimer,

AS DIRECTOR FOR THE TERM ENDING DECEMBER 31ST, 1905.

Mr. M. Samuel Stern.

JOSEPH B. BLOOMINGDALE,
SELMAR HESS,
SAMUEL M. SCHAFER,
Inspectors of Election.

GUSTAVE ABRAMS,
Secretary to Inspectors.

REPORT OF THE PRESIDENT AND BOARD OF DIRECTORS.

New York, January 24th, 1904.

To the Members of the Mount Sinai Hospital:

Life brings with it duties and obligations coincident with its existence. For the time being, we are the possessors of whatever passes into our hands from those who precede us, charged with its stewardship and preservation for transmission to those who come after us.

These duties carry with them the upholding and maintaining of organizations for the protection of society, especially such as provide for the helpless young and old, the infirm and the sick.

In reviewing the history of the Mount Sinai Hospital for the past year, we find that this sacred trust, committed to you by past generations, has been well preserved; that progress and advancement have been made with sympathetic tendencies and marked liberality in relieving those who have claims upon us.

Before proceeding with the detailed account of this great work, we deem it but just and proper to recognize the generous aid and co-operation extended by you for this holy cause.

STATISTICS OF THE HOSPITAL FOR THE YEAR ENDED NOVEMBER 30TH, 1903.

SUPPORT ACCOUNT.

Total expenses of Hospital and Dispensary for 1903.....		$151,838.22
Less improvements.....	$439.50	
Less repairs.....	3,038.64	
Less maintenance of Dispensary.....	17,335.68	
		20,813.82
Actual Hospital expenses.....		$131,024.40

—a per capita per diem cost for patients of $1.76¾, as against $1.65¼ for the previous year.

The reports of other institutions engaged in work like ours show the same gradual increase in the per capita per diem for support. This is mainly due to higher cost of food, fuel and other necessaries, also to the larger staffs required in the service for the comfort and well-doing of the patients.

ENDOWMENTS.

Our esteemed Director, Mr. Max Nathan, has again evidenced his well-known liberality and broad-mindedness in dedicating a room in the New Hospital for the accommodation of the sick Nurses of the Alumnæ Association of the Mount Sinai

Training School. For this purpose, he has generously donated the sum of Ten Thousand Dollars. Such considerate thought and provision deserve special mention and grateful acknowledgment.

Mr. E. Asiel, our respected Treasurer, has donated the sum of $10,000 to dedicate a room in the General Hospital to the memory of his departed wife, Lina Asiel.

This evidence of his good will for our Institution is in keeping with his loyalty to its best interests and his devotion to the charitable purposes for which it was founded.

SPECIAL GIFTS.

Mr. James Loeb donated the sum of Twenty-five Hundred Dollars for the electrical equipment of the Neurological Service.

Mr. Henry Goldman has offered a donation of Six Thousand Dollars to be expended for surgical equipment.

These gifts illustrate the sympathy of many in our community with the practical benevolence for which our Institution stands, and furnish a true index of the larger philanthropy existing in our time.

NEW HOSPITAL BUILDINGS.

It is a source of deep regret that we are unable to welcome you in our New Hospital at this Annual Meeting. Unexpected delays and unforeseen difficulties have prevented this much wished for consummation. The details incident to the erection and equipment of such a large plant are so vast and complicated that those who have not been in full touch with the work will never be able to realize how much energy and thought have been applied to this great undertaking. It was our intention to introduce in this report a full description of the larger facilities and greater scientific features afforded to the public, both in the private and general pavilions of the New Hospital. However, to avoid a too lengthy report, we shall reserve this for some future occasion. When the New Hospital is opened for inspection, as it will be in March, we feel assured that you will be amply recompensed for the financial aid extended by you, in the knowledge that you have shared in a work which is a credit to every Israelite and a benefit to suffering mankind.

EQUIPMENT OF NEW HOSPITAL.

In its importance, the equipment of our New Hospital can only be classed as second to its construction. When in full operation, the patients, nurses and employees in its various departments will aggregate over 900 in number. The furnishing of the wards, the rooms for private patients, the kitchen, the nurses' home, the rooms for the help, and the equipping of seven operating rooms, the laboratory, isolation ward, drug store and many other departments, have necessitated weekly meetings for over a year of a committee composed of a number of the most active members of our Board, who were ably assisted by Dr. Howard Lilienthal as the representative of the Medical Board.

PRIVATE HOSPITAL.

The private pavilion has been laid out in keeping with modern ideas to insure the comforts of a home, and to afford hospital facilities of the highest scientific order. The accommodations are so arranged that suites or single rooms can be obtained, with or without private baths, at reasonable prices. Every floor is provided with complete accessories—pantries, lavatories and baths; the main floor with offices for the Superintendent and Physicians, also with parlors and reception rooms for visitors. There is a separate operating room in the Private Hospital, a Solarium, and an elevator which runs throughout the building. This entire service will be equipped with a staff of able attendants to make it one of the most complete and best managed institutions of its kind.

MEMBERSHIP.

Our records show an enrollment at the present time of:

Donors	220
Patrons	970
Members	4,138
Juniors	18

in all 5,346 regular contributors, an actual increase of 544 over last year.

The following additions were made during the current year:

1 Donor,
50 Patrons,
728 Members,
43 Patrons were changed to Donors, and
82 Members were changed to Patrons.

Aside from our own efforts, we were largely aided in producing these results by the Associate Membership Committee, organized in January, 1903. Imbued with zeal for our cause, this Committee composed of over sixty gentlemen, obtained the following additions to our rolls:

282 Members,
6 Patrons,
1 Donor,
1 Junior,
9 Members were changed to Patrons.

They also received $150.00 in donations—in all an added income of $3,360.00 for our Hospital.

We append a list of the Officers and Members of this Committee:

We cannot sufficiently thank these gentlemen for the great public spirit which they have shown.

During the year, we issued two circular letters to our members, in which we brought to their attention the necessity for increasing the roll of our regular contributors. To provide for the increased cost of maintaining our New Hospital, we asked each one of them to obtain for us, in the circle of his friends, at least one new member, which, with few exceptions, could have been easily accomplished. Responses were received from only 134 members. This disappointing result induces us to renew our appeal to-day—to bring home to you personally the importance of your active co-operation to lighten our responsibilities in still greater measure than heretofore.

Great institutions are not created—they grow. The growth of ours has kept pace with that of our cosmopolitan city. The Mount Sinai Hospital has never faltered or shrunk from its responsibilities to the demands of the hour. It is one of the pioneers in the ranks of our eleemosynary institutions. From its small beginning, over half a century ago, it has grown to proportions and activities which should and do swell the heart of every one of its friends with just pride.

No one able to share in the support of a cause which serves such a humane purpose should fail to respond to its claims. We have received our Hospital as a sacred heritage from those before us, who, by great sacrifice, founded this noble charity. It is our unquestionable duty, and it should be our earnest aim, to discharge our stewardship conscientiously, and to transmit Mount Sinai Hospital—rich in the fruits of good works—to the care of future generations without end.

HOSPITALS.

Hospitals have scientific as well as benevolent purposes. The opportunities presented in institutions like ours have great value in preparing the medical fraternity for their service to the public. This important educational feature should not be lost sight of in the administration of hospitals.

No hospital here or elsewhere affords more varied services or better facilities for the scientific treatment of its patients than ours.

The roster of our graduates shows the names of many who have risen in the ranks of the medical profession to positions of prominence and honor.

Another reason, therefore, why hospitals should be maintained and supported by the public is that they benefit those who are ministered to without, as well as the many who are cared for within their precincts. This twofold mission in benevolent and scientific directions has been well carried out by our institution.

Our New Hospital, when opened, will have the following departments and divisions:

General Medical Department—four divisions,
General Surgical Department—two divisions,
Gynæcological Department—two divisions,
One Ophthalmic and Aural Department,
One Neurological Department,
One Dermatological Department,
Children's Department—one Surgical and one Medical Division,
One Laryngological Department,

each in charge of a prominent chief and a staff of adjuncts.

In addition to these, wards for accident cases, a service for tuberculosis patients and for convalescents, a Pathological Department equipped in accordance with modern ideas; complete services for Anæsthesia and Radiography; Hydro-Therapeutics and accessories of every kind in keeping with the most advanced scientific developments of our age.

Our Dispensary provides services similar to those in the Hospital, and ministers to a large class of patients who, though

greatly in need of treatment, do not require hospital beds. Each department is provided with a chief and staff of assistants.

Our District Service, in charge of nine physicians, is for the care of patients at their homes.

Our House Staff, which has been increased, represents four divisions, two surgical and two medical, composed of a corps of twenty internes.

These various staffs aggregate 168 physicians and surgeons, whose time and efforts are devoted to the medical care of our patients.

The protection and preservation of human life is the intuitive object of man—the underlying motive of every well-calculated act, and the purpose of every step in our daily routine. In the furtherance of this endeavor, there is no more powerful agent than the modern hospital, with its corps of men scientifically trained in medical research and practice, and its accessory organizations of nurses and other staffs co-operating to this noble end.

The far-reaching benefits and influence of such institutions are incalculable. They deservedly place hospitals in a most prominent position among our philanthropic organizations, and justly entitle them to the best consideration of those who are charitably inclined. The non-sectarian character of our hospital should especially appeal to the broad-minded, benevolent men and women among the well-to-do classes, who, in the dispensation of their gifts or in making bequests, should not overlook the worth and the deserving claims of our institution upon their bounty.

Perpetual beds were dedicated during this year to the memory of:

Rachel V. and Charles Sternbach, by their son, Mr. Sidney M. Sternbach.

Florentine Weinberg, by her husband, Mr. Philip Weinberg.

Clara Wertheim, by her husband, Mr. Henry P. Wertheim.

Jacob Bookman, by provision in his will.

By the District Grand Lodge No. 1, Independent Order Free Sons of Israel, one additional bed.

MEMORIAL BEDS.

In memory of Isaac S. Erdman, dedicated by his wife, Mrs. Sarah Erdman.

In memory of Yette Heller, founded by provision in her will.

These memorials are a lasting honor to those who founded them—an enduring monument to the departed in whose names they have been created.

DEATHS.

The close of each year is tinged for us with a feeling of sadness when, in retrospect, we realize that so many who were with us in thought and action have been removed from this earthly life into eternity.

Their active co-operation with our and other philanthropic institutions, gave proof of their interest in our communal organizations for the relief of the unfortunate, and leaves the consolation, to those who are bereaved, that the departed have not lived in vain.

When all worldly things vanish—the good deeds performed by man rise into prominence and stand as an imperishable tribute to his memory. To all those who mourn their loss, we extend our sincere sympathy. For ourselves, we feel that we have lost friends whose high ideals made them a sustaining power to our and to sister charities.

In a spirit of deep reverence, we make record of the names of the departed.

Leopold Weil became a Director of our Institution in 1889, and passed away from the scene of his activities on the 6th day of February, 1903. He was Secretary of our Board for one year, and throughout his entire service, he was prominently identified with its management.

At a special meeting of the Directors of the Mount Sinai Hospital, held on Saturday, February 7th, the announcement having been made of the death of our esteemed co-director, Leopold Weil, it was thereupon resolved to make record of the following sentiments in the minutes of the Board:

Overwhelmed by the suddenness of the affliction and deeply moved with the sense of our great loss, we are unprepared to make fitting expression of the sad emotions which fill our hearts at this moment, when we realize that our friend and much beloved colleague, LEOPOLD WEIL, is no more in life with us.

For our Institution he has ever been the faithful, zealous devotee and the staunch, loyal champion and supporter of its cause.

For the patients in our charge he was the sympathetic, kind, humane man, who, with tender solicitude and loving care, concerned himself with all that contributed to their comfort and welfare.

To us, his bereaved colleagues, he ever stood as the embodiment of the earnest man with noble aims, whose companionship we welcomed, and whose friendship we prized. His wise counsel and valuable aid in the affairs of our Institution will be sadly missed, and we, mourning with those in the inner circle of his family life, can only share in their sorrow over the loss of him, who, by ties of long association, had so endeared himself to us all.

It was ordered that the flag of the Hospital be placed at half-mast, and the chair he occupied in the Board Room be draped in mourning for thirty days; that the Directors attend the obsequies, and, as a further mark of our respect and appreciation of the

worth of the departed, that these resolutions be published and an engrossed copy sent to his family.

On motion, duly seconded and carried, it was resolved that the members of the Hospital be invited to attend the funeral.

Sigmund Oppenheimer, a director of our Hospital from 1892 to 1894, died on the 5th of September last, when the following resolutions were adopted by our Board:

The sad tidings of the death of our honored ex-Director SIGMUND OPPENHEIMER were conveyed to the members of our Board at a meeting of the Executive Committee held on Sunday, September 6th, 1903. Sigmund Oppenheimer was connected with the management of our Institution from 1892 to 1894, during which time, and since, he has been a faithful friend and supporter of our Institution, in the welfare and activities of which he had always taken a deep interest. His genial personality, his generous nature and his unselfish tendencies are marks of character which made him beloved by all who enjoyed his association. It was resolved to tender our sympathy to the family of the deceased, and to indicate our respect for the departed it was further resolved to attend the funeral in a body, to enter these resolutions upon our minutes and to send a copy thereof to the family of the deceased.

Solomon Loeb, a former colleague, died on the 12th of December. He was a member of our Board from 1885 to 1897, when he tendered his resignation, which due regard for his wishes compelled us to accept, not, however, without great reluctance. His attachment for our Institution did not cease with the severance of his official relations. He continued his active co-operation for its advancement and maintenance, and since then, as before, it ever held a favored place in his affections.

A tribute to his memory was tendered by our Board in the following resolutions, which were adopted at that time:

The announcement having been made of the death of our esteemed friend and late colleague, SOLOMON LOEB, it was thereupon resolved to enter upon our minutes the following sentiments and expressions of our Board:

Solomon Loeb, who for twelve years was actively connected and thereafter closely identified with our Institution, constantly evidenced traits of character which deservedly won our respect and esteem.

His deep interest and unselfish devotion to the cause of our Institution—his constant endeavor to ameliorate the condition of the sick poor in our charge—indicated his wide sympathies and his philanthropic impulses.

His wise counsel and active co-operation were prized by his col-

leagues and tended largely to advance the interests of Mount Sinai Hospital.

Deeply impressed with a sense of the great loss sustained, not only by us, but also by the entire community, we condole with his family in their bereavement and extend to them this expression of our deep sympathy.

It was resolved that the Directors attend the obsequies in a body, that the flag of the Hospital be lowered to half-mast until after the funeral, that these resolutions be published, and that a copy thereof be sent to the family of the deceased.

REV. DOCTOR GUSTAVE GOTTHEIL.

The prominent position held by Dr. Gustave Gottheil, Rabbi Emeritus of the Temple Emanu-El, his staunch advocacy of all charitable causes, and his ministrations to our patients, whom he frequently visited, justify our testimony to his many virtues and our voicing of the sentiments held by our community that by his death we have lost an able, loyal exponent of that religion which manifests itself as well in practice as in precept.

THE LADIES' AUXILIARY SOCIETY.

It is again our pleasant duty to offer thanks to our able co-workers—the Ladies' Auxiliary Society.

Their constant efforts in supplying our patients with material comforts—the sympathy and tender solicitude for them as shown by their visits to our wards, deserve gratitude and praise from all the well-wishers of our Institution.

They have amply provided all the linens, bedding and clothing required for the Hospital and its inmates. Aside from this, they have, at a large expenditure of their funds, purchased a complete outfit of linens and bedding for the New Hospital.

The Jewish women of our city, who have not yet done so, should enroll themselves as members of this Society, and thereby sustain the efforts of these noble-hearted women who, for so many years, have rendered such important and unselfish service to our Institution.

To Mrs. M. H. Moses, President; Mrs. J. A. Cook, Vice-President; Mrs. Louis Lavanburg, Second Vice-President; Mrs. Julius Beer, Treasurer; Mrs. J. R. Seligman, Secretary, and to each and every member of our Auxiliary, we offer the thanks of our Board, and, justly so, those of the members of our Hospital.

May they continue in their labor of love, conscious of the truth that their benevolent endeavor has its best reward in the knowledge that their self-imposed duties have been most faithfully performed.

MOUNT SINAI HOSPITAL ALLIANCE.

We record our heartiest thanks to the members of the Alliance for the good work they have done in the past, and for the greater usefulness they have promised to extend in the future. These charitable young ladies and gentlemen have eagerly sought opportunity to enlarge the sphere of their activity and bestow whatever they can for the good of the suffering ones in our care.

The Alliance has offered completely to equip the Solaria over the Medical, Surgical and Private Pavilions in the New Hospital, and further to make an annual donation for their care and maintenance.

Such generous acts deserve our sincere commendation. We feel that these young benefactors will derive their truest recompense—not from our thanks, which are theirs, but from the comfort and pleasure which the sun parlors will give to the convalescents, for whose benefit they are being prepared.

SISTER INSTITUTIONS.

If we look back with satisfaction upon our own achievements during the past year, it is with no less content and thankfulness that we view the splendid work accomplished by our sister societies. They form a union of charities, each part of which, in its particular sphere of usefulness, dispenses aid and cheer among the dependent and unfortunate classes in our city. The helpless orphan has been sheltered and educated in well-equipped asylums; the aged have been cared for in comfortable homes; the sick have been well provided for in our various hospitals, and the chronic and incurable, whom the hospitals could not receive, were ministered to with scientific treatment and tender solicitude. Our educational institutions have furnished facilities to those who came as strangers to our shores, and have prepared them for a career of good citizenship. Our technical schools for boys and girls have instructed the untrained in crafts, affording them opportunities and means for a useful, respectable livelihood. These charities have all been supplemented and strengthened by our

noble-hearted women in their magnificent auxiliary organizations and sisterhoods. This entire army of well-doers is enlisted in a service of love and duty—a sacrifice without expectation of reward other than the desire to do good unto others.

Thus marshalled stand the hosts of men and women, engaged in the cause of humanity—an honor to our community, a benefit to mankind—a service of deeds acceptable to Him who rules on high.

During the year a number of our patients were transferred to the Montefiore Home for Chronic Invalids, the Isabella Heimath, and to the Convalescent Ward of the Lebanon Hospital. Since they were proper cases for the care of these institutions, they were readily accepted.

We extend our thanks to the Directors of these respective charities for their courtesy and kind consideration.

The wholesome influence of the mutual co-operation between our and sister institutions is further exemplified by our having received patients from the Hebrew Orphan Asylum and Benevolent Society, the Hebrew Sheltering and Guardian Society, United Hebrew Charities, Emanu-El Sisterhood and the Nurses' Settlement.

HOSPITAL SATURDAY AND SUNDAY ASSOCIATION.

We received $5,245.77 as our share of the undesignated fund collected last year, which indicates that the amount of free work done by our Institution is equal to that of any other Hospital in the Association. To those interested in hospitals and their support, contributions to the collections of this Association are warmly commended. These undesignated collections are taken up every year in December, and afford opportunity to give supplemental aid to hospitals in equitable proportion to the scope of their free work and their consequent financial needs.

TRAINED NURSES.

Our Training School has continued to supply us with efficient nurses. The excellent work the school does—work to the value and usefulness of which many of us can gratefully testify from personal experience—deserves more substantial encouragement than it has yet received. The School is still in need of funds.

There should be more general readiness to supply aid to this important adjunct of our Hospital, in order that it may, with as few hindrances as possible, carry out its splendid mission of nursing the sick and helping young women to earn a livelihood in one of the noblest fields of human activity.

CONSULTING STAFF.

Drs. A. Jacobi and E. G. Janeway, Consulting Physicians, and Drs. Daniel Stimson and William F. Fluhrer, Consulting Surgeons, have during the past year shown the same true interest in our great work and the same sincere good will for its advancement that has characterized their service in previous years.

ATTENDING STAFF.

Our patients have been attended by physicians of experience and high standing in the profession. In the Surgical Department, by Drs. A. G. Gerster and Howard Lilienthal; in the Medical Department, by Drs. Julius Rudisch, Alfred Meyer, Morris Manges and Nathan E. Brill. Dr. Henry Koplik has had charge of the Children's Ward; Dr. Emil Gruening, of the Ophthalmic and Aural Service; Dr. Joseph Brettauer, of the Gynæcological; Dr. S. Lustgarten, of the Dermatological; Dr. B. Sachs, of the Neurological; and Dr. Herman Goldenberg, of the Genito-Urinary Department.

The efficient service of these physicians in their respective departments deserve hearty acknowledgment both from us and from the patients who profited by their skill.

ADJUNCT ATTENDING STAFF.

We thank Drs. Vineberg, A. A. Berg, Elsberg, Moschcowitz, Wiener, May, Koller, Heiman, Davison and Henry W. Berg, members of the Adjunct Attending Staff, for their unfailing conscientiousness in the discharge of their duties.

DISPENSARY STAFF.

The Mount Sinai Dispensary, a most important adjunct of the Hospital, provides medical care for many thousands of worthy people. It separates the mild from the more serious cases—gives

treatment to the former and transfers the latter, which require beds, to the Hospital.

Its medical management is in charge of 26 Chiefs and 62 Assistants.

We express our appreciation of their faithful attendance and good service.

DISTRICT SERVICE.

This service at the homes of applicants for whom, at the time, no provision could be made in the Hospital, was well cared for by Drs. R. Abrahams, M. Katzenberg, H. Vogel, F. L. Wachenheim, Charles Goodman, Henry Rodman, Julius Tannenbaum, Martin Cohen, and Henry M. Koles.

We are greatly beholden to this staff for the satisfactory performance of duties which involve the loss of much time and the application of good judgment to these special cases.

HOUSE STAFF.

The members of the House Staff have been faithful and have manifested due regard for the interests of our Institution. Drs. Meyer M. Stark and Herbert L. Celler retired on the 1st of July, and Drs. Robert T. Frank, Alfred F. Hess, Eli Moschcowitz and David Kramer, on the 1st of January last—each having served the full term of two years and a half. They were awarded the usual diplomas and souvenirs, with the concurrent action of the Lay and Medical Boards.

RESIGNATIONS.

Mr. S. L. Fatman, our Superintendent, resigned last February, and Dr. S. S. Goldwater, a former member of our House Staff, was appointed to fill the vacancy. Mr. Fatman had at all times evinced a most conscientious endeavor to promote the best interests of our Institution, and he has our good wishes for his future career.

Dr. Felix Cohen, in charge of the Ear and Throat Department in the Dispensary, resigned, after a faithful service of nearly ten years. Dr. Seymour Oppenheimer was appointed in his place.

ADMINISTRATIVE DEPARTMENTS.

We render deserved thanks to the heads of the following Administrative Departments: To Dr. Max Rosenberg, Examining Physician; Dr. F. Mandlebaum, Pathologist, and to Drs. E. Libman and E. P. Bernstein, Assistant Pathologists.

Our new Superintendent, Dr. S. S. Goldwater, has filled his position with ability. He has exercised good judgment in his relations with the public, with our patients and the medical attaches of the Hospital, and he has discharged the responsible duties of his office to our complete satisfaction.

Mr. Solon J. Rieser, our Assistant Superintendent; Mr. Gustave Abrams, our Assistant Secretary; Mrs. Camilla Minzesheimer, our Matron, and Mr. J. Skudin, our Apothecary, have conducted the affairs of their respective departments with commendable fidelity.

APPOINTMENTS ON OUR BOARD.

The vacancy caused by the death of our Director, Leopold Weil, was filled by the appointment of Mr. M. Samuel Stern.

APPOINTMENTS ON MEDICAL STAFF.

The Gynæcological Service in the New Hospital will be divided into two departments. Dr. Joseph Brettauer is in charge of one at present, and Dr. Florian Krug has been appointed Attending Gynæcologist to take charge of the other department when the New Hospital is in operation.

Dr. D. Bryson Delevan has been appointed chief of the Laryngological Service.

The following Adjunct Attending Physicians and Surgeons were appointed: Drs. E. Libman and Albert Kohn, to the Medical Department; Dr. F. J. Leviseur, to the Dermatological; Dr. Martin W. Ware to the Genito-Urinary, and Dr. William Hirsch, to the Neurological Service.

ACKNOWLEDGMENTS.

This review of the history of the Hospital for the past year discloses no new feature; it is in the same theme and presents the same picture as in the past. Yet, withal, it brings most forci-

bly to our minds the names of many friends and benefactors whose generosity deserves special mention and fullest recognition.

Foremost among these are the members of the firm of Hoadly, Lauterbach & Johnson, who for so long a time, and especially in this last year, have gratuitously rendered us important legal aid and counsel. Were it possible to measure these services by their intrinsic value, it is no exaggeration to say that it would show the annual contribution of this firm to be larger than that of any other member of our Institution.

This expression of our appreciation is the only manner in which we can indicate our gratitude—our sense of great obligation, your thanks and ours for their loyal, able service, so zealously and liberally rendered to our Hospital.

We are indebted to the Rev. Doctor Raphael Benjamin, representing the Jewish Board of Ministers, who has visited our patients; to the Pastors of the St. Vincent Ferrer, Sixty-sixth street and Lexington avenue, who have responded to calls from our patients of the Catholic faith, and to the editors of the daily, weekly and monthly journals listed under the head of "Donations in Kind," who have gratuitously supplied our patients with copies of their publications.

We tender the thanks of our Board to the Hon. Edward M. Grout, Comptroller; to the Hon. Homer Folks, President of the Department of Public Charities, and to Mr. E. F. Merwin, Superintendent of the "Outdoor Poor" Department, for their unfailing courtesies.

Many others, by gifts, donations in kind and by personal service, have advanced the interests of our Institution and have promoted the welfare of our patients. If space forbids special mention, their thoughtfulness and kind acts are, nevertheless, recorded in our annals and are deeply engraven upon many grateful hearts.

The good done by our Institution is becoming more recognized from year to year, and tends to bring new friends within the fold of its supporters. There is a better understanding of our obligations and of the truth that it is man's duty to place the lights to dispel the gloom of darkness on the bridge over which the

weary pilgrim in life must pass—from his birth, the entrance on the one side, to the unknown, the exit on the other.

Thus impressed, we look back to the past with profound gratitude; we look forward to the future with prayerful hope. In that great eternity which has no beginning and no end, you, who represent the present, by the benevolence done in your time, have strengthened the link in that indissoluble bond which binds us all together in one universal brotherhood.
